Timber.—In random lengths square sawn:—		
Planks over 9 inches wide	} 3s. 9d.	4s. 3d.
Squares over 4 inches		
Baulks over 4 inches		
For each foot in length over 11 feet average, price may be increased in accordance with scale as for Deals and Battens.		
Prices for specified lengths may be increased by 5 per cent. over the limit scheduled above.		

Timber in the round may also be sold and converted for buyers' account, the cost of sawing being charged separately at current local rates, provided that the aggregate price for log and sawing shall not exceed the prices set out in this Schedule, based on the measurement of the converted timber obtained, except as hereinafter provided with regard to certified Port or City Mills.

Coniferous timber over 25 feet in length, cut for particular purposes, may be negotiated at proportionate prices, but sellers must submit details to the Controller of Timber Supplies, and obtain his approval thereto.

Town Saw Mills and Town Retailers are permitted to increase the prices for converted softwoods (excluding sleepers) up to 25 per cent. when the quantity sold is 20 cubic feet or over, or up to 50 per cent. when the quantity sold is less than 20 cubic feet. Such increased prices to cover cost of conveyance of log to town mills or town yards, and delivery of converted material from mills or yards free on rail or barge or within the usual cartage radius.

Certified Port or City Mills are permitted to increase the price of converted softwoods (excluding sleepers) up to 40 per cent. Such increased prices to cover cost of conveyance of log to Port or City Mills and delivery of converted material from mills free on rail or barge or within the usual cartage radius. Certified Port or City Mills are also permitted to sell any entire log, butt, or length purchased under Schedule B, and converted for buyers' account at an increased price not exceeding 10 per cent. above the price paid free on rail or barge under Schedule B. In addition the cost of rail or barge transport and delivery to mill and cost of sawing at current local rates may be charged extra and shall be shown separately on the invoice.

SLEEPERS:—(Spruce, Scots Fir, Larch, or other Coniferous Timber) delivered free on rail or barge at loading station. 9 feet long, 10 inches by 5 inches.
