FRIDAY, SEPTEMBER 20, 1918.

*Scottish Office, Whitehall, S.W. 1,  
18th September 1918.*

**T**HE following Addresses have been received by the Secretary for Scotland from the Commission of the General Assembly of the Church of Scotland and the Lord Provost, Magistrates and Council of the City and Royal Burgh of Edinburgh for presentation to the King and Queen on the occasion of Their Majesties' Silver Wedding, and have been presented to Their Majesties accordingly.

TO THEIR MOST EXCELLENT MAJESTIES KING  
GEORGE AND QUEEN MARY.

*May it please Your Majesties,—*

WE, Ministers and Elders of the General Assembly of the Church of Scotland, now met in Commission, desire with humble respect and loyal devotion to tender the warm congratulations of the Church of Scotland on the twenty-fifth anniversary of your Majesties' wedding. With the whole Scottish people we give thanks to Almighty God for the manifold goodness He has vouchsafed to your Majesties throughout these years; and our earnest prayer is that the Divine blessing may continue to rest upon your Majesties through many years to come, gladdened by an unbroken family circle, and cheered by the loyal affection of all the peoples of the Empire.

On this notable anniversary we recall with feelings of profound appreciation and gratitude the unmeasured devotion of your Majesties to the highest interests of the Empire, and we rejoice in

the fulfilment of the fond hopes which animated the British people, on that day of happy memory, when, as Duke of York, the Heir to the British Throne won a British Princess for his bride. It has been of inestimable value to our people that, for a quarter of a century, in the home life of the Sovereigns of the Empire there has been given an example that has gladdened, strengthened and inspired; and to the Church it has been an abiding cause for rejoicing before God, that your Majesties' living sympathies and active co-operation have ever been readily accorded to all endeavours for the spiritual advancement of the people of our land.

It is with special satisfaction that we avail ourselves of this opportunity of giving expression to the deep gratitude with which your Majesties' incalculable services to the Nation, throughout these four years of war, have filled the heart of the Scottish people. The tireless devotion to the welfare of the Empire, the unfailing sympathy extended to the suffering and the sorrowing, the self-denying labours and ever ready sacrifice in the national cause, and the Royal comradeship with the Nation in all vicissitudes of fortune, have bound the people of our country to their much-loved King and Queen with ties that are indissoluble. For these priceless services we respectfully offer our warmest gratitude to your Majesties, and we give thanks to Almighty God who has so blessed our Nation in these troubled days.

That your Majesties may be gladdened by a speedy victory over the enemies of our Nation, with the establishment of a righteous and enduring peace, and that Almighty God may

grant your Majesties a long and happy reign over a loyal and prosperous people, is, may it please your Majesties, our most earnest prayer.

*May it please Your Majesties,*

We are,

Your Majesties' most faithful and loyal subjects,

The Ministers and Elders of the Church of Scotland convened in Commission of the General Assembly.

Signed in our name, and in our presence, and at our appointment by—

J. N. OGILVIE, D.D.,

*Moderator.*

Edinburgh, 10th July 1918.

TO THE KING'S MOST EXCELLENT MAJESTY.

*May it please Your Majesty,—*

We, The Lord Provost, Magistrates and Council of the City and Royal Burgh of Edinburgh in our own name and as representing the Citizens of the Ancient Capital of Scotland, respectfully offer our sincere and cordial congratulations to Your Majesty and to your illustrious Consort Queen Mary on the completion of twenty-five years of happy wedded life.

We recognise with much satisfaction and thankfulness that the high expectations which were cherished on the occasion of the auspicious union a quarter of a century ago have been amply fulfilled. We in common with all our fellow-subjects entertain the most lively feelings of respect, admiration and affection towards Your Majesty, your Royal Consort, and your Family. We have followed with pride the career of the Heir to the Throne—His Royal Highness The Prince of Wales—and his devoted service to the Country.

We further recognise with unbounded feelings of gratitude and admiration the noble example set by Your Majesty and Queen Mary amidst the trials and anxieties of the present time. We have complete faith and confidence that the great struggle now going on will under Providence be crowned by victory, for the cause of righteousness, justice and liberty for which Your Majesty and your Allies have taken up arms and are sustaining a conflict of unprecedented magnitude.

We fervently pray that Almighty God will comfort and sustain Your Majesty, and that long life, health and happiness and every blessing may be vouchsafed to Your Majesty and Your Royal Consort.

We take this opportunity of renewing the expression of our loyalty to Your Majesty's Person, Throne and Government.

*Signed* in name and by appointment of the Lord Provost, Magistrates and Council, and the Seal of the City affixed hereto, at Edinburgh, the Ninth day of July 1918.

(Sgd.) J. LORNE MACLEOD, Lord Provost.  
A. GRIERSON, Town Clerk."

To which Addresses the following gracious replies have been sent by Their Majesties' Command:—

SCOTTISH OFFICE, WHITEHALL, S.W.1.  
2nd August 1918.

"RIGHT REVEREND SIR,

I have had the honour to lay before the King and Queen the Loyal Address of the Commission of the General Assembly of the Church of Scotland on the occasion of Their Majesties' Silver Wedding, and I am commanded to convey to you Their Majesties' sincere thanks therefor.

The King and Queen are deeply touched by the sentiments of loyalty and devotion to which the Address gives expression, as well as by the personal references to Their Majesties' happy married life, and Their services to and comradeship with Their people during these years of War.

The King desires devoutly and thankfully to acknowledge the high benefit derived by the nation from the Christian example of the Church of Scotland. He joins with your Ministers and Elders in earnestly praying that a righteous and enduring peace may in due course crown the sacrifices of His people and His Allies in the cause of justice and humanity.

His Majesty is happy in the confidence that the Church of Scotland, in sympathetic co-operation with her sister Churches throughout the land, will continue to fortify the hearts of the Scottish people with its spiritual ministrations.

I have the honour to be, Right Reverend Sir,  
Your obedient Servant,

(Sgd.) ROBERT MUNRO.

The Right Rev. J. N. Ogilvie,  
D.D., Moderator of the General  
Assembly of the Church of  
Scotland."

"MY LORD PROVOST,

I have had the honour to lay before the King the Address in which you and your fellow Magistrates and Councillors of the City of Edinburgh, on your own behalf and as representing the Citizens of the Scottish Capital, offer your congratulations to His Majesty and the Queen on the occasion of Their Majesties' Silver Wedding.

I am commanded by His Majesty to convey to you His sincere thanks for the eloquent expressions of loyalty and affection contained in the Address, and in particular for the kindly personal references to Their Majesties and to H.R.H. the Prince of Wales.

His Majesty cherishes a warm regard for your historic City, and He desires to take this opportunity of expressing His deep appreciation of the spirit of patriotism which has animated the efforts and sacrifices of its Citizens, under your worthy guidance, in the great cause which the nation has for so long been sustaining.

I have the honour to be, My Lord Provost,  
Your obedient Servant,

(Sgd.) ROBERT MUNRO."

The Right Honourable The Lord  
Provost of Edinburgh.

Treasury Chambers, Whitehall, S.W.,  
16th September 1918.

*War Office,*  
16th September 1918.

His Majesty the KING has been graciously pleased to approve of the award of the Victoria Cross to the undermentioned Officer and Non-commissioned Officers :—

Lt. Albert Borella, M.M., A.I.F.

For most conspicuous bravery in attack.

Whilst leading his platoon with the first wave Lt. Borella marked an enemy machine gun firing through our barrage. He ran out ahead of his men into the barrage, shot two German machine-gunners with his revolver, and captured the gun.

He then led his party, now reduced to ten men and two Lewis guns, against a very strongly held trench, using his revolver and later a rifle, with great effect, causing many enemy casualties. His leading and splendid example resulted in the garrison being quickly shot or captured. Two large dug-outs were also bombed and thirty prisoners taken.

Subsequently the enemy twice counter-attacked in strong force, on the second occasion outnumbering Lt. Borella's platoon by ten to one, but his cool determination inspired his men to resist heroically, and the enemy were repulsed with very heavy loss.

No. 200854 Sjt. John Meikle, M.M., late Sea. Highrs. (Nitshell).

For most conspicuous bravery and initiative when his company, having been held up by machine-gun fire, he rushed single-handed a machine-gun nest. He emptied his revolver into the crews of the two guns and put the remainder out of action with a heavy stick. Then, standing up, he waved his comrades on.

Very shortly afterwards another hostile machine gun checked progress, and threatened also the success of the company on the right. Most of his platoon having become casualties, Sjt. Meikle seized the rifle and bayonet of a fallen comrade, and again rushed forward against the gun crew, but was killed almost on the gun position. His bravery allowed two other men who followed him to put this gun out of action.

This gallant non-commissioned officer's valour, devotion to duty, and utter disregard for his personal safety was an inspiring example to all.

No. 889958 Cpl. Joseph Kaeble, M.M., late Quebec R.

For most conspicuous bravery and extraordinary devotion to duty when in charge of a Lewis gun section in the front line trenches, on which a strong enemy raid was attempted.

During an intense bombardment Cpl. Kaeble remained at the parapet with his Lewis gun shouldered ready for action, the field of fire being very short. As soon as the barrage lifted from the front line, about fifty of the enemy advanced towards his post. By this time the whole of his section except one had become casualties. Cpl. Kaeble jumped over the parapet, and holding his Lewis gun at the hip, emptied one magazine after another into the advancing enemy, and, although wounded several times by fragments of shells and bombs, he continued to fire, and entirely blocked the enemy by his determined stand. Finally, firing all the time, he fell backwards into the trench, mortally wounded. While lying on his back in the trench he fired his last cartridges over the parapet at the retreating Germans, and before losing consciousness shouted to the wounded about him: "Keep it up, boys; do not let them get through! We must stop them!" The complete repulse of the enemy attack at this point was due to the remarkable personal bravery and self-sacrifice of this gallant non-commissioned officer, who died of his wounds shortly afterwards.

HONOURS FOR SERVICES IN ACTION WITH THE "GOEBEN" AND "BRESLAU" IN JANUARY 1918.

The KING has been graciously pleased to approve of the award of the following honours, decorations, and medals to the undermentioned Officers and Men in recognition of their services on the occasion of the sortie of the "Goeben" and "Breslau" from the Dardanelles on the 20th January 1918:—

*To be Companions of the Distinguished Service Order.*

Lieut.-Cdr. Joseph Bernard Newill, R.N. (H.M.S. "Tigress").

For the great skill and gallantry displayed by him in handling his ship in the presence of a greatly superior enemy force and under heavy fire. He performed most efficiently his main duty of shadowing the enemy and reporting his movements. He proceeded into the minefield to engage a superior force of enemy destroyers and drove them back to their base. He again entered the minefield at great risk to his ship, and gallantly rescued 162 survivors of the "Breslau" whilst still being fired on from shore batteries.

Lieut. Norman Albert Gustave Ohlenschlager, R.N. (H.M.S. "Lizard").

He showed great skill and gallantry in handling his ship in the presence of a greatly superior enemy force and under very heavy fire. He performed most efficiently his main duty of shadowing the enemy and reporting his movements. He proceeded into the minefield to engage a superior force of enemy destroyers and drove them back to their base. He again entered the minefield at great risk to his ship, and gallantly rescued 162 survivors of the "Breslau" whilst still being fired on from shore batteries.

*To receive the Distinguished Service Cross.*

Lieut. Frederick Faulkner, R.N. (H.M.S. "Lizard").

He showed great coolness throughout the action. He got the armament into action against the "Breslau," and later against destroyers, ably and quickly and soon obtained a straddle. He personally took charge of first-aid party, reviving survivors, and made excellent arrangements for the custody of prisoners.

Lieut. Arthur Jelfs Cubison, R.N. (H.M.S. "Tigress").

He showed marked ability as gunnery officer of the ship; straddled quickly and hit an enemy destroyer.

Flt. Cdr. Ralph Squire Sorley, R.N.A.S. (now tempy. Capt. R.A.F.).

For the determined and successful bombing attacks on the "Breslau" and "Goeben" on the 20th January 1918, and subsequent days, both by day and by night.

Surg. James Maurice Harrison, R.N. (H.M. Monitor "M28").

A wounded man having fallen into the water, Surg. Harrison went in after him and kept him afloat until picked up. It was due to his untiring efforts that eight severely wounded cases arrived in good condition at the hospital ship twenty-two hours later.

Flt. Lieut. Harry Vernon Worrall, R.N.A.S. (now Hony. Capt., R.A.F.).

Made a successful attack on the "Goeben," obtaining a direct hit, although this was his first night flight.

Acting Lieut. David Blyth Dun, R.N.R. (H.M. Monitor "M28").

He was sent by his Captain in the whaler to rescue men in the water. After landing them, although "M28" was visibly on fire, he returned with a volunteer crew, and remained alongside until she blew up, sinking his boat.

Flt. Sub-Lieut. Robert Withy Peel, R.N.A.S. (now Lieut., R.A.F.).

Carried out a determined and courageous bombing attack on the "Goeben" in the face of attacks from a vastly superior enemy air force.

Obs. Sub-Lieut. Frederick Charles Smith, R.N.A.S. (now Lieut., R.A.F.).

Acted as observer for Flt. Cdr. Sorley during a determined and successful bombing attack on the "Breslau" on the 20th January 1918, and also during subsequent day and night attacks on the "Goeben."

Skpr. Harry Oliver Hunn, R.N.R., 1145 W.S.A., H.M. Drifter "Anchor of Hope II."

Skpr. Benjamin George Reynolds, R.N.R., 2114 S.A., H.M. Drifter "Supernal."

Remained on patrol in their drifters during the action and made smoke screen in a gallant endeavour to screen H.M. Monitors "Raglan" and "M28," showing great presence of mind and initiative. Both vessels were invaluable in rescuing survivors.

*To receive the Distinguished Service Medal.*

#### DESTRUCTIVE INSECT AND PEST, SCOTLAND.

##### THE WART DISEASE OF POTATOES (SCOTLAND) ORDER OF 1918.

DATED 16TH SEPTEMBER 1918.

The Board of Agriculture for Scotland, by virtue and in exercise of the powers vested in them under the Destructive Insects and Pests Acts, 1877 and 1907, and of every other power enabling them in that behalf, do order, and it is hereby ordered, as follows:—

##### *Commencement.*

1. This Order shall come into operation on the first day of October, nineteen hundred and eighteen.

##### *Definition of Infected Area.*

2.—(1) For the purposes of this Order the expression “Infected Area” means an area which is for the time being certified by the Board of Agriculture for Scotland (in this Order referred to as “the Board”) to be an area infected with Wart Disease for the purposes of this Order.

(2) The areas described in the First Schedule to this Order shall, unless and until the Board otherwise certify, be Infected Areas for the purposes of this Order, but the provisions of this Order shall not apply to holdings exceeding half an acre in extent situated in an Infected Area, except such holdings or parts of them as have already been declared to be “infected premises” under the Wart Disease of Potatoes Order of 1912 or the Wart Disease of Potatoes (Scotland) Order of 1913, or which may, subsequent to the date of this Order, be found to be infected with Wart Disease or to which, in the opinion of an Inspector, Wart Disease is likely to spread, and in respect of which a notice applying the provisions of this Order may be served by an Inspector.

##### *Restriction on planting Potatoes in an Infected Area.*

3.—(1) Except under the authority of the Board no person shall plant, or cause or permit to be planted, in any land in his occupation or under his charge which is situated in an Infected Area, and to which the provisions of this Order apply, any potatoes which are not of an approved immune variety, and no person shall permit any potatoes to remain in such land in his occupation or under his charge if the potatoes have been planted in contravention of this Article, and the removal of the potatoes is required by notice served on him by an Inspector; Provided that a person shall not be liable to conviction for planting potatoes or causing or permitting potatoes to be planted in contravention of this Article if he proves to the satisfaction of the Court that the potatoes were sold to him as potatoes of an approved immune variety by a person authorised by the Board under this Order to sell for planting potatoes of an approved immune variety, and that he did not know that the potatoes were not of an approved immune variety.

(2) The restrictions imposed by this Article shall not apply to any planting which is licensed by an Inspector of the Board for the purpose of enabling a first early variety of potatoes to be grown.

(3) An approved immune variety is a variety approved for the time being by the Board as being immune from Wart Disease.

*Restriction on Sale of Approved Immune Varieties.*

4.—(1) (a) No person shall sell or offer for sale for planting any potatoes of an approved immune variety except under the authority of and subject to the conditions, if any, imposed by a licence granted by the Board: Provided that this restriction shall not apply to a sale of such potatoes to a dealer in seed potatoes buying for re-sale as seed.

(b) No person shall sell as potatoes of an approved immune variety potatoes that are not of an approved immune variety.

(2) Any person who sells or offers for sale for planting (otherwise than to a dealer in seed potatoes buying for re-sale as seed) potatoes of an approved immune variety shall, if so required by the person to whom the potatoes are sold or offered for sale, produce the authority of the Board or a copy thereof for his inspection and permit him to copy the authority or copy.

*Restriction on use of Potatoes grown in an Infected Area.*

5. No person shall knowingly sell or purchase or use for planting in land which is not in an Infected Area any potatoes which have to his knowledge been grown in land in an Infected Area to which the provisions of this Order apply.

*Application of Provisions of Order to land not in an Infected Area.*

6.—(1) An Inspector may by notice served on an occupier or other person in charge of any land, not in an Infected Area, on which the Inspector is satisfied that Wart Disease exists, or to which in his opinion the disease is likely to spread, apply the provisions of this Order to such land and such provisions shall, while such notice remains in force, apply to such land as if it were land in an Infected Area to which the provisions of this Order apply.

(2) The provisions of this Order shall, without service of notice under this Article, apply until they are withdrawn by an Inspector of the Board, to any lands which at the commencement of this Order are "infected premises" for the purposes of the Wart Disease of Potatoes (Scotland) Order of 1913.

*Notification of Disease.*

7.—(1) The occupier or other person in charge of any land on which Wart Disease exists or appears to exist, and any person having in his possession or under his charge potatoes which are affected with Wart Disease, shall forthwith notify the fact by post or otherwise to the Board or to an Inspector.

(2) If Wart Disease is found to exist in any subsequent year on land to which the provisions of this Order apply or may have been applied, a further notification of disease shall forthwith be given to the Board or to an Inspector by the occupier or other person in charge of such land.

*Sale of Diseased Tubers prohibited.*

8. Tubers visibly affected with Wart Disease shall not, except under licence granted by the Board or an Inspector, be sold or offered for sale for any purpose.

*Precautions to be adopted in case of an outbreak of Disease.*

9.—(1) An Inspector may at any time and from time to time by notice served on an occupier or other person in charge of land to which the provisions of this Order apply require him to adopt such measures for the prevention of the spread of the disease as are authorised by this Article and specified in the notice.

(2) A notice under this Article may require the occupier or other person in charge of the land to adopt one or more of the following measures, that is to say:—

(a) to destroy or render innocuous any part of the crop, including all diseased tubers, by burning, boiling, or such other suitable method as may be specified in the notice;

(b) to take such other steps as the Inspector may consider necessary to prevent the spread of the disease.

(3) A notice under this Article may also require that no potatoes or potato shaws shall be removed or be permitted to be removed out of the area defined in the notice except with and subject to the conditions (if any) of a licence given by the Inspector.

(4) A notice under this Article may prescribe the time within which the adoption of any measure thereby prescribed shall be completed.

*Service of Notices, etc.*

10.—(1) For the purpose of this Order a notice shall be deemed to be served on any person if it is delivered to him personally or left for him at his last known place of abode or business, or sent through the post in a letter addressed to him there; and a notice purporting to be signed by an Inspector shall be *prima facie* evidence that it was signed by him as an Inspector.

(2) A copy of every notice served under this Order shall be sent to the Board by the Inspector by whom the notice is signed.

(3) A notice served under this Order, which applies the provisions as to Infected Areas to premises which are not in an Infected Area, shall remain in force until its operation is determined in writing by an Inspector of the Board.

*Power to deal with Diseased Potatoes.*

11. An Inspector may, by a notice served on any person having in his possession, or under his charge, tubers which are affected with Wart Disease, or which are in a pit, bag, or other receptacle with tubers so affected, or which the Inspector has reason to believe to have been in a pit, bag, or other receptacle with tubers so affected or otherwise exposed to infection with Wart Disease,

(a) prohibit the removal of the tubers from the premises on which they are when the notice is served, except under such conditions as the Inspector may consider necessary to prevent the spread of Wart Disease and prescribe by the notice,

(b) require the person having in his possession, or under his charge, any such tubers to destroy by burning or other effective method

prescribed in the notice, all diseased tubers and the shaws (if any) belonging thereto, as well as all packing material and packages used for the storing or conveying of such potatoes.

*Information to be given as to Diseased Potatoes.*

12. Every person who has or has had in his possession or under his charge any tubers affected with Wart Disease, and every person who as auctioneer, salesman, or otherwise has sold or offered for sale any such tubers shall, if so required in writing by the Board or an Inspector, give the Board or the Inspector, as the case may be, all such information as he possesses as to the persons in whose possession or under whose charge they are or have been: Provided that any information given under this Article shall not be available as evidence against the person giving the same in any prosecution under this Order, except in respect of an alleged failure to comply with this Article.

*Powers of Entry.*

13. An Inspector, upon production if so required of his appointment, may enter any premises and examine any potatoes thereon.

*Notification of Order.*

14. This Order and any certificate issued by the Board thereunder shall be published by the Local Authority in accordance with any direction given by the Board.
