The late temporary Lieutenant-Colonel Wilfred Elstob, D.S.O., M.C., 16th Battalion, Manchester Regiment.

For most conspicuous bravery, devotion to duty and self-sacrifice during operations at Manchester Redoubt, near St. Quentin, on the 21st March 1918.

During the preliminary bombardment he encouraged his men in the posts in the Redoubt by frequent visits, and when repeated attacks developed controlled the defence at the points threatened, giving personal support with revolver, rifle, and bombs. Single-handed he repulsed one bombing assault, driving back the enemy and inflicting severe casualties.

Later, when ammunition was required, he made several journeys under severe fire in order to replenish the supply.

Throughout the day Lieutenant-Colonel Elstob, although twice wounded, showed the most fearless disregard of his own safety, and by his encouragement and noble example inspired his command to the fullest degree.

The Manchester Redoubt was surrounded in the first wave of the enemy attack, but by means of the buried cable Lieutenant-Colonel Elstob was able to assure his Brigade Commander that "The Manchester Regiment will defend Manchester Hill to the last."

Sometime after this post was overcome by vastly superior forces, and this very gallant officer was killed in the final assault, having maintained to the end the duty which he had impressed on his men—namely, "Here we fight and here we die."

He set throughout the highest example of valour, determination, endurance, and fine soldierly bearing.

The late G/14498 Lance-Corporal John William Sayer, 8th Battalion, Royal West Surrey Regiment (Cricklewood).

For most conspicuous bravery, determination and ability displayed on the 21st March 1918, at Le Vergoier, when holding for two hours, in face of incessant attacks, the flank of a small isolated post. Owing to mist the enemy approached the post from both sides to within 30 yards before being discovered. Lance-Corporal Sayer, however, on his own initiative and without assistance, beat off a succession of flank attacks and inflicted heavy casualties on the enemy.

Though attacked by rifle and machine-gun fire, bayonet, and bombs, he repulsed all attacks, killing many and wounding others. During the whole time he was continuously exposed to rifle and machine-gun fire, but he showed the utmost contempt of danger, and his conduct was an inspiration to all. His skilful use of fire of all description enabled the post to hold out till nearly all the garrison had been killed and himself wounded and

captured. He subsequently died as a result of wounds at Le Cateau.

NOTE.

(1) A further list of awards in recognition of services in North Russia (Archangel and Murmansk Commands) will appear later.

(2) Recommendations for services rendered by the Garrison of Kut are still under consideration, but, owing to the inevitable delay which must necessarily occur by reason of the fact that reference regarding these services has to be made to the Government of India, it is regretted that it is not possible to forecast the date of publication of such rewards as may be approved by His Majesty.

THE DISTRICT AGRICULTURAL WAGES COMMITTEE FOR DUMFRIES AND GALLOWAY.

NOTICE OF AN ORDER fixing Minimum Rates of Wages for Agricultural Workmen in the area comprising the Counties of Dumfries, Kirkcudbright, and Wigtown.

The District Agricultural Wages Committee for Dumfries and Galloway, duly certified by the Board of Agriculture for Scotland under the Second Schedule to the Corn Production Act, 1917, hereby, in terms of Section 5 (4) of said Act and relative Regulation by the Board of Agriculture for Scotland, give notice to the persons affected that they have fixed minimum rates of wages payable for time work by workmen employed in agriculture (as defined in Section 17 (1) of the said Act) of the classes within the area, and subject to the conditions or exceptions, all as set forth in the Schedule hereto.

SCHEDULE.

1. The minimum rates hereby fixed are inclusive of the value of any benefits or advantages received by the workmen in part payment of wages, reckoned according to the values determined by the District Wages Committee under Section 12 (1) (b) of the Act.

2. The minimum rates hereby fixed shall apply to all workmen who are wholly or partly employed in agriculture within the meaning of Section 17 (1) of the Corn Production Act during such time as they are so employed, with the exception of Agricultural Students and Dis-

charged Soldiers and Sailors under training in Forestry.

3. The minimum rates hereby fixed per week shall apply to all workmen who are engaged for whole-time work for a week or any longer period and the rates fixed per hour shall apply in other cases.

4. When a workman is engaged for whole-time work for a week or any longer period, the minimum rate applicable shall be payable in full even although, through no fault, failure, or disability of the workman, the hours agreed upon between him and his employer and actually worked are less than the number of hours on which the minimum rate is to be reckoned.

5. The minimum rates hereby fixed are to be reckoned as applying to the working hours per week as follows:

From 1st February to 15th June, 9 hours per day.

From 16th June to 15th October, 10 hours per day.

From 16th October to 31st January, 8 hours per day.

The foregoing are exclusive of meal times and time required for stable work and of 21 whole holidays or 42 half-holidays, none of which shall be demandable during 10 weeks of hay and harvest.

6. The minimum rates for overtime shall be the ordinary rates plus one quarter more during hay and harvest, and the ordinary rates for any other period. Subject to Clause 7 of this Schedule, all employment in excess of the working hours defined in Clause 5 shall be treated as overtime employment.

7. The minimum rates hereby fixed shall for a ploughman, cattleman, or shepherd be increased by 5s. a week, or 1½d. per hour, for the time during which he is under contract of employment or employed as such, and no stable-work, byre work, shepherding, or other work necessary for the health and comfort of animals shall be reckoned as overtime employment.

8. The minimum rates hereby fixed shall be increased by 2s. 6d. a week for the first dog and an additional 2s. a week for each additional dog which the workman is required by the conditions of his employment to keep and feed.

9. Subject to the above conditions, the minimum rate for a male workman over 18 years of age shall be 33s. per week, or 8d. per hour.

10. This Order shall come into operation on the 2nd day of June 1919.

11. From and after the date on which this Order comes into operation the Orders heretofore made by this Committee shall be varied or cancelled so far as may be necessary to give effect to this Order.
