##### COMMITTEE UNDER PART II. OF THE SAFEGUARDING OF INDUSTRIES ACT, 1921.

The Board of Trade give notice that they have received a complaint by the British Optical Instrument Manufacturers' Association Limited, the British Photographic Manufacturers' Association, the Spectacle Manufacturers' Association, and the Drawing Instrument Manufacturers' Association, that Optical and other Scientific Instruments manufactured in Germany are being sold or offered for sale in the United Kingdom at prices which, by reason of depreciation in the value in relation to sterling of German currency, are below the prices at which similar goods can be profitably manufactured in the United Kingdom, and that by reason thereof employment in the industry manufacturing similar goods in the United Kingdom is being or is likely to be seriously affected. The Board of Trade, in exercise of the powers conferred upon them by Part II. of the Safeguarding of Industries Act, 1921, have referred the matter for inquiry to a Committee

- (a) whether the conditions specified in Section 2, Sub-section (1) of the Safeguarding of Industries Act, 1921, are fulfilled in respect of all or any particular varieties of Optical and other Scientific Instruments;
- (b) on the effect which the imposition of a duty under Part II. of the Act on goods of the class or description covered by the complaint would exert on employment in any other industry being an industry using goods of that class or description as material; and
- (c) whether in the opinion of the Committee production in the industry manufacturing similar goods in the United Kingdom is being carried on with reasonable efficiency and economy.
