(2) The foregoing provisions of this Article shall not be deemed to relieve the overseers of their liability under subsection (3) of section one of the Juries Act, 1922, to furnish the registration officer with any further information which he may require for the purpose of enabling him to carry out the provisions of that Act and any Order in Council made thereunder with respect to the Autumn Register for the year 1922.

(3) For the purpose of furnishing the registration officer with any further information which he may require under the provisions of this Order Form C of heading I. of Schedule I. to the Representation of the People Order shall, with
