*Civil Service Commission,
August 22, 1922.*

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz. :—

REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR THE ADMISSION OF GIRLS TO THE CLERICAL CLASS OF THE CIVIL SERVICE.

N.B.—These Regulations are liable to alteration from time to time.

1. AGE.—The limits of age are 16½ and 17½. For an examination beginning in one of the first six months of the year the governing date on which candidates must be of the prescribed age is the first of March; for an examination beginning in one of the last six months of the year the governing date is the first of September. The half-year is reckoned by calendar months; a candidate who attained the age of 16½ on the governing date would be admitted, but a candidate who attained 17½ on that date would not be admitted.

In reckoning age for competition persons who have served in any established civil situation to which they were admitted with the certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. NATIONALITY. — Candidates must be natural-born British subjects and the daughters of fathers also natural-born British subjects:

Provided that exception may be made in the case of persons serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

3. Candidates must be unmarried, and will be required to satisfy the Civil Service Commissioners that they are duly qualified in respect of health and character.

4. The subjects of examination and the marks they will carry are as follows :—

(1) English	1500
(2) Arithmetic	200
(3) Mathematics	1000
(4) Science	1000
(5) One of the following languages: French, German, Latin, Greek, Welsh, Scottish Gaelic, Irish Gaelic	1000
(6) History	500
(7) Geography	500

5. All candidates take subjects 1 and 2; they

may also offer all or any of the optional subjects 3 to 7. In these optional subjects a high standard of performance will be required, so that really good work on optional subjects aggregating 3000 will get more marks than moderate work on a greater number, and a candidate can be successful on optional subjects aggregating 3000 or 3500 as well as on a greater number.

Candidates must obtain such an aggregate of marks in the examination as a whole as to satisfy the Civil Service Commissioners.

6. The examination may be held in one part or in two parts, at the discretion of the Civil Service Commissioners. In the latter case the first part of the examination will be used to reduce the number of competitors to be admitted to the second part. Of those whose performance on the first part is best a certain number, to be determined by the Civil Service Commissioners, will be admitted to the second part of the examination. The successful list will consist of those candidates who obtain the highest aggregate marks on the whole examination. If the examination is held in two parts, the second part may be held in fewer centres than the first.

7. It will rest with the Civil Service Commissioners to determine the Departments to which the successful candidates shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service. Subject to this condition, the wishes of candidates will, where possible, be respected.

8. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

9. Application for permission to attend an examination must be made at such times and in such manner as may be fixed by the Civil Service Commissioners.

10. A fee of £2 will be required from every candidate attending an examination.
