On Saturday	5

Provided that any other day (not being Sunday) may be substituted by an employer for Saturday as the weekly short day, and in such case the normal number of hours of work on such substituted day shall be 5, and the normal number of hours on Saturday shall be 9.

Provided also that all time worked by a worker on Sundays and on Customary Public and Statutory Holidays shall be regarded as overtime to which the Overtime Rates shall apply.

SECTION II.—The Minimum Rates for Overtime in respect of all time worked by a worker in excess of the declared normal number of hours shall be calculated as follows:—
