(DATED 7TH DECEMBER 1923.)

FIFE AND PERTHSHIRE DISTRICT
(FOOT-AND-MOUTH DISEASE) ORDER
OF 1923 (No. 3).

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1922, and of every other power enabling him in this behalf, hereby orders as follows:—

Meaning of Terms.

1. In this Order:—

“The Prohibited Area” means the Area described in the First Schedule hereto in which the movement of animals is hereby prohibited;

“The Controlled Area” means the Area described in the Second Schedule hereto in which the movement of animals is hereby controlled. If any farm (excluding any detached part) is partly within and partly outside the Prohibited Area, the whole shall be deemed to be within the Prohibited Area; Subject to this provision, if any farm (excluding any detached part) is partly within and partly outside the Controlled Area the whole shall be deemed to be within that Area.

“Animals” means cattle, sheep, goats and pigs;

“Slaughterhouse” means premises used habitually and solely for the purpose of

slaughtering animals, but does not include a slaughterhouse which forms part of a farm.

Restrictions in Force in the Prohibited Area.

2.—(a) No animals shall be moved into or out of the Prohibited Area, except as herein-after provided;

(b) No animals shall be moved along or across any road or other highway within the Prohibited Area, or be permitted by the owner or person in charge thereof to stray upon any such road or highway;

(c) No market, sale or exhibition of animals shall be held in the Prohibited Area;

(d) No slaughterhouse manure or refuse shall be moved out of the Prohibited Area or be brought into contact with animals in the Prohibited Area;

Control of Dogs in Prohibited Area.

3.—(a) Dogs in the Prohibited Area shall at all times, except whilst in a dwelling house, be kept under control by being:—

(i) confined in a kennel or other enclosure from which the dog cannot escape; or

(ii) secured to some premises by a collar and chain; or

(iii) accompanied by the owner or some person deputed by him and under effectual control.

(b) Any dog which is not kept under control, as prescribed by this Order, may be seized by the Local Authority, or by the Police, and any dog so seized shall be dealt with in the same manner as a stray dog seized under the powers conferred by section three of the Dogs Act, 1906, is thereby authorised to be dealt with. No dog so seized shall be given or sold for the purpose of vivisection.

Provisions for Movement of Animals into Prohibited Areas for Immediate Slaughter.

4. Animals may be moved from premises outside the Prohibited Area to any public slaughterhouse in the Prohibited Area, subject to the following conditions:—

(i) A licence authorising the movement must be obtained from an Inspector of the Local Authority of the destination before the movement commences. This licence must accompany the animals throughout the whole movement;

(ii) The animals must be put on rail at a station outside the Prohibited Area, and be moved by railway without being untrucked within the Prohibited Area until arrival at the railway station nearest to the place of destination; Provided that where the distance from the railway station in the Area to the place of destination is greater than the distance to be covered within the Area if the movement were to take place by road, the Inspector granting the licence may specify therein any other route if he thinks it desirable, and may require the animals to be moved by float or other suitable vehicle;

(iii) The animals shall be slaughtered within 96 hours of arrival at the slaughterhouse specified in the licence.

Restrictions in Force in the Controlled Area.

5.—(a) No animal shall be moved out of the

Controlled Area, except as provided in Articles 4 and 6 of this Order.

(c) No animals shall be permitted by the owner or person in charge thereof to stray upon any road or other highway in the Controlled Area.

(d) No market, sale, or exhibition of animals shall be held in the Controlled Area; except a market or sale for fat animals intended for immediate slaughter or a sale of animals on farm premises. A licence must be obtained from the Local Authority to hold any such market or sale, and a Veterinary Inspector of the Local Authority shall attend and examine the animals exposed thereat. No licence shall be granted for the holding of any such sale on any premises within a radius of five miles from any place infected with Foot-and-Mouth Disease.

(e) No slaughterhouse manure or refuse shall be moved out of the Controlled Area or be brought into contact with animals in such Area.

Movement of Animals by Licence into or within the Controlled Area.

(b) From premises outside the Controlled and Prohibited Areas to a farm in the Controlled Area;

(c) From a farm in the Controlled Area to a licensed fat stock market or fat stock sale in such Area;

(d) From a licensed fat stock market or sale in the Controlled Area or from a farm or other premises in the Controlled Area, to a slaughterhouse in such Area;

(These licences may be made available for movement as often as required if the Inspector endorses the licence "Occupation Licence").

(f) From a licensed fat stock market or sale in the Controlled Area or from a farm in that area to any public slaughterhouse in the Controlled Area to which the Renfrewshire and District (Foot-and-Mouth Disease) Order of 1923 (No. 6) for the time being applies. In the case of such movement the licence shall be granted by an Inspector of the Local Authority of the district in which the slaughterhouse is situated, and shall not be available unless and until it is countersigned by an Inspector of the Local Authority of the district in which the movement commences.

Provided that no licence shall be granted under this Article for (i) the movement of any animal on a road within a radius of two miles from any place infected with Foot-and-Mouth

Disease, or (ii) the movement of animals from any premises to any farm for the purpose of sale at a licensed farm sale.

Conditions of Licence.

7.—(a) Licences may be granted only by an Inspector of the Local Authority in whose district the movement commences except where otherwise expressly stated and also except in the case of movement from premises outside the Controlled or Prohibited Areas to a slaughterhouse in such Areas, in which case the licence shall be granted by an Inspector of the Local Authority of the district in which the slaughterhouse is situate;

(b) Licences shall not permit movement on any road within a radius of two miles of a Foot-and-Mouth Disease Infected Place, or movement out of the Controlled Area, in order to reach a destination in that Area;

(c) Occupation Licences may be withdrawn at any time by a notice served by an Inspector of the Local Authority on the person to whom such Licence was granted;

Movement through Controlled Area by Railway Permitted.

8. This Order shall not prevent the movement of animals direct by railway through the Controlled Area or Prohibited Area, or both, if the animals are not untrucked within the area through which they are so moved.

(b) Before movement commences all such animals shall be marked as follows:—

10. Where any animals are moved with a licence under this Order to a slaughterhouse the Local Authority of the district in which the slaughterhouse is situated may, if they think fit, require the animals to be slaughtered within a less period than 96 hours from the time of their arrival at the slaughterhouse.

Closing of Footpaths and Premises.

11.—(1) An Inspector of the Ministry or of the Local Authority may (notwithstanding the existence of any footpath or right of way) prohibit the entry of any person into any field, shed or other place in the Controlled or Prohibited Areas by giving notice in writing to that effect to the occupier. In such cases the owner of the animals in such places, or his agents, or servants, may enter for the sole purpose of feeding or tending the animals, but no other persons shall enter any such place until such notice has been withdrawn by a further notice from an Inspector, unless he has obtained a licence to do so from an Inspector of the Ministry or of the Local Authority;

(2) Copies of such notices shall be affixed or exhibited by the Inspector in such manner as he may think desirable for ensuring notification of the restrictions thereby imposed;

(3) Copies of such notices, when served, shall be sent to the Ministry.
