At the Court at Buckingham Palace, the 17th day of December 1924.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th day of December 1924 (C.W. 8933/24), in the words following, viz.:—

“Whereas by Section 3 of the Naval and Marine Pay and Pension Act, 1865, it is enacted, *inter alia*, that all pay, pensions or other allowances in the nature thereof payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

“And whereas Your Majesty was graciously pleased, by Your Order in Council bearing date the 30th day of November 1915, to approve of those Seamen Pensioners and Royal Marine Pensioners who were called upon to serve during the Great War and who were promoted to Acting, Temporary or Permanent Warrant or Commissioned Rank during such service, being allowed, on reversion to the pension list, to draw, under certain

conditions, in lieu of their man's pension, the regulated retired pay calculated on their actual service as Officers, if to their advantage:

“And whereas certain pensioner Warrant Officers and ratings of Your Majesty's Navy and pensioner Warrant Officers and ranks of Your Majesty's Marine Force were transferred to the Army during the Great War, and were promoted to Temporary Commissions in the Army while serving therein:

“And whereas we consider that such Officers should similarly be granted retired pay on the Officers' scale, and that for the purpose of assessment of the rates of retired pay, service in the Army should be reckoned as service in the Royal Navy or in the Royal Marine Force respectively subject to the conditions hereinafter prescribed:

“We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction the following proposals:—

“(1) Pensioner Warrant Officers and ratings of the Royal Navy and pensioner Warrant Officers and ranks of the Royal Marines, granted temporary commissions in the Army during the Great War, if they have not been discharged for misconduct, &c., to receive, in lieu of the pensions previously awarded, retired pay on the following scale:—

| Rank in Army.                  | Maximum. | Minimum. | Addition.                                                                                 |
|--------------------------------|----------|----------|-------------------------------------------------------------------------------------------|
| Lieutenant or any higher rank. | £300     | £250     | £6 for each complete year's service in these ranks up to 7 years; £8 for the eighth year. |
| Second Lieutenant ... ..       | £250     | £200     | £5 for each complete year's service in the rank.                                          |

“(2) Awards of retired pay under this Order to have effect from the 1st April 1919, or from the day following the day of ceasing pay in the Army, whichever is the later:

“(3) Service in the rank of Captain or above to count as though it were service in the rank of Lieutenant, and not to entitle an Officer to a higher rate of retired pay than that provided in the above scale:

“(4) Officers who have been granted war gratuities on the Temporary Officers' scale to be required to refund the difference between such gratuities and those granted to permanent Officers:

“(5) The rates of Retired Pay hereby authorised are to be regarded as standard rates comparable with those authorised in

Schedule V., Section IX. of the Order in Council dated the 22nd January 1920, and to be subject to revision at the same dates and in the same manner as retired pay authorised by that Order.

“The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.”

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

M. P. A. HANKEY.

### THE SCHEDULE.

To the Committee of Lloyd's.

We have examined the Books for the above Accounts for the year ending 31st December 1924, in accordance with the "Instructions for the guidance of Auditors," dated 10th December 1924, drawn up by your Committee, and approved by the Board of Trade. In our opinion, so far as the Liabilities and Assets shown in the Books are concerned, the Assets shown in the Books and those deposited with Lloyd's Committee and those since provided, belonging to each name, are correctly valued and available and sufficient to meet his liabilities as therein shown, and to wind up his outstanding Underwriting Accounts. The Liability of the current Underwriting Accounts has been calculated on the basis as directed in the "Instructions for the Guidance of Auditors."

We have verified by actual inspection or Banker's Certificate the Investments and Cash at the Bankers at 31st December 1924, and have compared the Broker's balances with the Ledger, and in arriving at the Brokers' balances, discount has been taken into account and provision made for any debts whose recovery in full is doubtful. The funds also are held in trust in the names of two Trustees, who are both living, under a Deed of Trust, duly executed and approved by your Committee and in accordance with the terms of such Deed.

All the information we required has been supplied to us, and so far as our examination of the Books has gone, they appear to have been properly kept.

#### APPENDIX.

#### THE PAPER BOX TRADE.

1. Subject to the provisions of this Schedule, the making by any method of all types of plain and fancy boxes or containers from paper, chip,

cardboard, pulp board, or other similar box-boards shall constitute the Paper Box Trade, and all operations of making such articles or parts thereof from such materials shall, wherever carried on, be deemed to be operations of the Paper Box Trade.

2. Where the main business carried on in an establishment, branch or department is any of the work specified in paragraph 1 above, the making of any article made wholly or partially from the materials referred to in paragraph 1, and the making of part of any such article, in the course of any business of such establishment, branch or department by workers who are interchangeably engaged upon such making and any of the work specified in paragraph 1 above, shall be deemed to be operations of the Paper Box Trade.

3. For the purpose of this Schedule, the making of jewel, manicure, cutlery, plate or similar cases and box files, shall be deemed to be operations of the Paper Box Trade when these articles are made:—

- (a) wholly or mainly of the materials specified in paragraph 1, and
- (b) in an establishment or branch in which the main business is the making of them from the specified materials or in which they are made from these materials in association with any of the operations specified in paragraph 1 above.

4. All operations ancillary to the making hereinbefore mentioned (including the making of adhesive material and such operations as warehousing, packing and despatching), and the making or preparation of raw material when such operations are done or such raw material is made or prepared in an establishment, branch or department in which the main business is the making hereinbefore mentioned shall be deemed to be operations of the Paper Box Trade.

5. For the purposes of this Schedule, the making of the articles specified in paragraph 1 above from the materials therein specified shall be deemed to include the making of such articles when made mainly of such materials.

6. Notwithstanding anything in this Schedule, the following operations shall not be operations of the Paper Box Trade as herein defined:—

- (a) Printing and gold-blocking, clerical work, canvassing, running outside errands, cleaning of premises, transporting by vans, carts and lorries, tending and overhauling of machinery and stoking.
- (b) The making of match-boxes or of parts thereof on the premises of an establishment in which the main business carried on is the making of matches.
- (c) The making of suit, attache, and similar cases, to which the material covering the case has been affixed before the bending into shape takes place.
- (d) Operations included in the Trade Boards (Paper Bag) Order, 1919, or the Trade Boards (Toy) Order, 1920, or any amendment or variation thereof.
- (e) The making of metal parts of boxes when performed in an establishment mainly engaged in work included in the Trade Boards (Hollow-ware) Order, 1913, or the Trade Board (Stamped or Pressed Metal-wares) Order, 1924, or any amendments or variations thereof.

(DRAFT) INSTRUCTIONAL CIRCULAR TO ACCOMPANY THE TRADE BOARDS (PAPER BOX) ORDER, 19

1. It has been represented to the Minister of Labour that it might prove of assistance to employers and workers and others concerned in the application of the Trade Boards Acts, 1909-1918, if, in suitable cases, when he makes an Order applying the Acts to a trade for the first time or when he makes an Order varying the existing description of a trade contained in an Order made under the said Acts, some information were given by a departmental Instructional Circular as to his understanding of the scope of the Order.

2. An authoritative interpretation of the Trade Boards Acts and/or Orders made thereunder can be given only by the Courts of Law and with this in mind and on the understanding that any views which he may express provisionally as to the inclusion within, or exclusion from the scope of the Acts and/or Orders made thereunder of any trade, process, operation, article, or of any class of worker are given on the information at the time in his possession and are subject to revision in the light of further information, the Minister makes the observations which follow in paragraph 3 below for the guidance of all concerned in the application of the Trade Boards (Paper Box) Order 19

3. The Order of 19 amplifies the description of the Paper Box trade contained in the Schedule to the Trade Boards Act, 1909,<sup>†</sup> and the following explanation (which must not be taken as exhaustive) is given of the terms employed in the new definition.

4. Paragraph (1).

(a) Articles.

The first paragraph of the Definition is framed in the most general terms so far as the articles envisaged are concerned, namely, "All types of plain and fancy boxes or containers." It has been found impracticable to enumerate the many types of boxes or containers which are regarded as falling within the scope of the Board. Folding boxes or cartons, conical or cylindrical containers, pressed or moulded boxes, certain kinds of suit and attache cases and jewel cases, if constructed wholly or mainly of the prescribed materials are, for example, all within the general classification adopted in the definition. As now framed, paragraph (1) has the effect not only of comprising such articles as those mentioned, but also permits of the inclusion of articles of any design which, with the development of the Paper Box trade, should properly be included within the scope of the Board.

(b) Materials.

With a view to removing doubts it has been thought desirable to enlarge the previous description of the materials referred to in the old definition. The words now used seek to cover the broad classification of the types of materials which ordinarily are or may be in use in the Paper Box Trade. On the other hand, such

<sup>†</sup> The description of the trade contained in the Schedule to the Trade Boards Act, 1909, is as follows:—

"The making of boxes or parts thereof made wholly or partially of paper, cardboard, chip or similar material."

types of board as are ordinarily not worked by the machinery found in paper box establishments are not meant to be included in the enumeration of the prescribed materials.

B.—Paragraph (2).

Paragraph 2 of the definition is intended to deal with the case of an establishment, branch or department mainly engaged in the making of any of the articles specified in Paragraph 1 of the definition, in which other articles (or parts) are also made of the scheduled materials by workers who are interchangeably engaged in the making of both kinds of articles.

C.—Paragraph (3).

Under the old Definition of the Paper Box trade, some difficulty has arisen in determining the position of jewel, manicure, cutlery, plate, or similar cases and box files, these being articles which are made both in the Paper Box and in other trades. If such articles are made wholly or mainly of the materials specified in paragraph (1) of the Definition either in an establishment specialising in their production or in an establishment which is mainly engaged in the production of plain or fancy boxes or containers of the kind described in paragraph (1), the manufacture of these jewel cases, &c., is brought under the Paper Box Board.

D.—Paragraph (4).

Paragraph 4 relates to ancillary operations of paper box making. Subject always to the specific exclusion of the definition, operations ancillary to the work specified in paragraphs 1, 2 and 3, are within the scope of the present Order. Under paragraph 4 of the definition would be included such operations as (a) the making or preparation by the box maker of the raw materials used by him in the course of his business, (b) the storing or warehousing of the materials used for manufacture and of the articles manufactured, and (c) the packing and despatching of these articles. Examples (b) and (c) of ancillary work have not hitherto been regarded as within the scope of the Board.

E.—Paragraph (5).

Paragraph 5 refers to boxes and containers made partly of materials not specified in the definition. Its effect is to bring under the Board such articles when mainly made of the materials specified in Paragraph 1 of the definition, *e.g.*, paper boxes covered with printed fabrics.

F.—Paragraph 6.

Paragraph 6. Certain exclusions of processes and articles are enumerated in this paragraph. It will be noted that the exclusion of the making of match boxes or of parts thereof (clause (b)) is subject to two conditions (i) that the making takes place in an establishment in which the main business carried on is the making of matches and (ii) that the boxes or parts thereof are made on the premises of such establishments.

Paragraph (d) contains an exclusion in favour of the making of suit, attache, and similar cases by methods which so far as concerns the manufacture of these articles are understood to appertain to the leather goods trade rather than to paper box manufacture.

Paragraphs (d) and (e) are exclusions for the purposes of avoiding overlaps in operations of manufacture covered by other Trade Boards.
