

An important difference is, that the manufacture of the toys specified in inclusion (e) of the 1919 Order is not now covered, but by an Order of even date is included within the revised scope of the Toy Trade Board. This amendment is the result of an agreement reached by the two Boards after exhaustive consideration of the circumstances (see also Note above).

PARAGRAPH 2.

Apart from the fact that stocktaking and crate making are now definitely included, this paragraph is the same as inclusion (f) of the 1919 Order and appears to call for no comment.

PARAGRAPH 3.

The object of this paragraph is to avoid overlaps with other trades, self-propelled chain or lever driven and mechanically propelled invalid carriages, being understood to form part of the cycle trade.

As regards sub-paragraph (b), see note on paragraph 1 (d) above.
