(4) Every such Inspector on leaving any premises on which foot-and-mouth disease exists, or is suspected to exist, shall thoroughly disinfect his boots and hands and shall also disinfect his clothes if they have been brought in contact with infection.

(5) Subject as hereinafter provided, the rules applied to an Infected Place by a Notice under this Article shall continue in force until such Notice is withdrawn by a further Notice (in the Form B set forth in the First Schedule to this Order or to the like effect) served by an Inspector or Officer of the Ministry on the occupier of the Infected Place.

(6) The limits of an Infected Place may at any time be altered by an Inspector or Officer of the Ministry by Notice in writing served on the occupier of the Infected Place. (2) Every such Veterinary Inspector before entering any premises in which foot-and-mouth disease exists, or is suspected to exist, shall put on suitable boots and overall clothing which are capable of being disinfected, and immediately before leaving such premises shall thoroughly disinfect his boots, overall clothing, and hands.

(3) The Local Authority shall supply to every such Veterinary Inspector the boots, overall clothing and disinfectants required to be used under the foregoing provision.

(a) where such movement is through the area by railway and the animal is not untrucked in the area; or

(b) where the movement, being movement entirely within the area, is necessary or expedient for the detention of the animal.

(2) An Inspector of the Ministry, acting in accordance with any general or special directions given by the Minister, may extend the

area by a notice to that effect signed by the Inspector, and the aforesaid restrictions shall thereupon apply to the area so extended. The Inspector shall forthwith notify the signing of such notice—

(a) to the Chief Constable of any police area which is wholly or partly within such extended area; and

(b) to the station master of the railway station nearest to the place of the outbreak or suspected outbreak; and

The Inspector shall forthwith notify the persons specified in Article 5 (2) or Article 6 (2) of this Order as the case may be of the signing of this notice.

(4) An Inspector may by licence subject to such conditions as he may think expedient authorise movement of animals which is otherwise prohibited by this Article in any case where in his opinion such movement is necessary or expedient, and the movement is wholly within the area in which movement is prohibited by this Article, and thereupon it shall be lawful to move the animals in accordance with the licence provided that they are accompanied by the licence.

(2) An animal while being moved under this Order, shall as far as practicable be kept separate from all other animals, and, if moved with a licence, shall be moved by the nearest available route and without unnecessary delay to the place of destination specified in the licence, and not elsewhere, and where the place of destination is a slaughterhouse, it shall be there detained until it is slaughtered.

(3) A licence under this Order shall accompany the animal being moved thereunder and shall forthwith after completion of the movement be delivered up at, or sent by post to the nearest police station of the District by the person in charge of the animal at the time of completing the movement.

(4) Any person in charge of an animal or thing being moved, where under this Order or under any Regulation made by a Local Authority thereunder a licence or other permission is necessary, shall, on demand by a constable, or an Inspector or other officer of the Ministry or of a Local Authority, produce the Licence and allow a copy of or extract from it to be taken, and shall, also if required, give his name and address.

*Change of Occupation of Premises.*

(a) shall afford the owner of the live stock and any person authorised by him, all such facilities for feeding, tending or otherwise using the stock, or for the sale of the stock, as the owner thereof may reasonably require; or

(b) where the owner thereof is unable or unwilling to avail himself of such facilities, shall take all such steps as are reasonably necessary for the proper feeding, tending or otherwise using the stock.

(2) These provisions shall continue to apply so long as the restriction on movement prevents the removal of the stock, and for seven days after such restriction ceases to operate, and the owner of the stock shall be liable to pay to the person who affords any such facilities or renders any such services as aforesaid in compliance with this Article, such sums by way of remuneration or recoupment of expenses as may be just and reasonable, the amount in default of agreement to be determined by arbitration under and in accordance with the provisions of the Second Schedule to the Agricultural Holdings Act, 1923, in England and Wales, and the Agricultural Holdings (Scotland) Act, 1923, in Scotland.

*Powers of Minister to prevent Spread of Disease.*

19.—(1) If an Inspector of the Ministry has reasonable grounds for believing that the movement of any person, animal, or thing by land or water on to or from any place may be attended with risk of the spread of foot-and-mouth disease, or that any animal, place or thing has been exposed to the infection of such disease, he may, acting under the general or special direction of the Minister, and for the purpose of preventing the spread of the disease, prohibit the movement of any person, animal, or thing on to or from any place, or direct the movement of any person, animal or thing from any place or impose any condition on any such movement or any requirement in relation to such person, place, animal or thing, either in respect of subsequent detention or disinfection or otherwise, by the service of a Notice in writing to that effect on such person or on the owner or occupier of the place as aforesaid, or on the owner or person in charge of the animal or thing. For the purpose of confirmation the Regulations as made by the Local Authority, or two certified copies thereof, shall be sent to the Minister.

(3) A copy of any Regulations made by a Local Authority under this Order, signed and certified by the Clerk of that Local Authority to be a true copy and to have been duly confirmed, shall be evidence, until the contrary is proved, in all legal proceedings of the due making, confirmation and existence of the Regulations, without further or other proof.
