The Prince of Wales has been pleased to appoint Captain J. R. Aird, M.C., Grenadier Guards, to be a Temporary Equerry to His Royal Highness.

CENTRAL CHANCERY OF THE ORDERS OF KNIGHTHOOD.

*St. James's Palace, S.W.1,
12th April 1929.*

The KING has been graciously pleased to approve of the award of the Medal of the Military Division of the Most Excellent Order of the British Empire to the under-mentioned:—

For Gallantry.

Flying Officer Walter Anderson, Royal Air Force.

346415 Corporal Thomas Patrick M'Teague, D.C.M., Royal Air Force.

Pilot Officer H. A. Constantine while flying an aeroplane off Leysdown on the 10th December 1928, crashed into the sea, about 200 yards from the shore. Corporal M'Teague and flying Officer Anderson immediately entered the sea from the shore and swam to his assistance. The weather was bitterly cold; an on-shore wind was blowing and the sea was fairly rough. Constantine, fully clothed and suffering from injuries and shock, commenced to swim ashore, but was

in a state of collapse when the first swimmer (M'Teague) reached him. M'Teague, though exhausted himself, supported him until the arrival of Anderson, and Constantine was then brought to safety (this involving swimming for a distance of about 100 yards) by their combined efforts.

The extremely prompt and timely action of Anderson and M'Teague, and the gallantry and persistence they displayed, undoubtedly saved the life of Constantine.
