## MERCHANDISE MARKS ACT, 1926.

### REFERENCE TO STANDING COMMITTEE.

In accordance with the provisions of Section 2, sub-section 4, of the Merchandise Marks Act, 1926, the Board of Trade give notice that, in pursuance of applications received by them for the making of Orders-in-Council to require imported goods of certain classes and descriptions to bear an indication of origin, they have made a reference to the Standing Committee appointed by them under the Act in respect of the following classes and descriptions of imported goods:—

1. Slates for roofing.
2. Lattice reinforcements and stirrups of iron and steel for concrete construction.

### 3. The following articles of iron and steel:—

- (a) Blank and screwed bolts, nuts and rivets (other than wire rivets).
- (b) Blank and tapped nuts, hexagon and square; set screws, hexagon and square, and head coach screws, hexagon and square; boilermakers' and engineers' studs.

### 4. Machinery belting (including conveyor and elevator bands) other than belting of metal.

### 5. Strap butts (also known as millband or belting butts) of leather, dressed or curried.

### 6. Wallpapers, ceiling papers and similar wall and ceiling decorations, including borders and friezes made of paper, wood pulp or similar materials.

7. (a) Boxes, cartons, cases, and other containers made of paper, chip, cardboard, strawboard, fibreboard, pulpboard or similar boxboards, or of any combination of these materials, whether corrugated or not, other than paper bags, suit cases, attache cases or similar cases,
- (b) Flats for boxes, cartons, cases and other containers of the description specified in para. (a).

Attention is called to the fact that, while under the provisions of the above Act the Committee must in every case referred to them consider whether the goods should bear an indication of origin at the time of sale or exposure for sale, they may also at their discretion consider and report upon the question whether such goods should bear an indication of origin at the time of importation.
