ORDER OF THE MINISTER OF AGRICULTURE AND FISHERIES.

(DATED 10TH AUGUST 1929.)

GLANDERS OR FARCY ORDER OF 1929.

The Minister of Agriculture and Fisheries, by virtue and in exercise of the powers vested in him under the Diseases of Animals Acts, 1894 to 1927, and of every other power enabling him in this behalf, hereby orders as follows:—

Notice of Disease.

1.—(1) Every person having or having had in his possession or under his charge any diseased or suspected animal, or the carcase thereof shall with all practicable speed give notice of the fact either to an Inspector of

the Local Authority or to a constable of the police force for the police area wherein the animal or carcase is or was.

(2) A constable receiving a notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority.

(3) An Inspector of the Local Authority who receives information of the existence or suspected existence of disease shall forthwith report the fact to the Local Authority, and also to the Medical Officer of Health of the Sanitary District in which the animal or carcase is, or in which the animal died or was slaughtered.

(4) Where the notice of disease relates to a carcase of an animal that has died or been slaughtered in the District of a Local Authority other than the Local Authority which receives the notice, the latter shall forthwith inform the other Local Authority of the receipt of the notice.

Notification of Disease by Veterinary Surgeons.

2.—(1) A veterinary surgeon who examines any animal or carcase and is of opinion that the animal is diseased, or was diseased when it died or was slaughtered, or suspects the existence of disease therein, shall with all practicable speed give notice of the existence or suspected existence of disease to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority and also to the Medical Officer of Health of the Sanitary District in which the animal or carcase is or in which the animal died or was slaughtered.

(2) A veterinary surgeon who under and in accordance with this Order gives notice of the existence or suspected existence of disease to an Inspector of the Local Authority shall be entitled to receive from the Local Authority a fee of two shillings and sixpence for each notification.

(3) Where two or more animals or carcasses are examined by a veterinary surgeon on the same premises and at the same time, and are found to be diseased or are suspected of being diseased, one fee only shall be payable to him in respect of the notification of the existence or suspected existence of disease in such animals or carcasses.

Duty of Inspector to act immediately.

3. An Inspector of the Local Authority on receiving in any manner whatsoever information of the supposed existence of disease, or having reasonable ground to suspect the existence of disease, shall proceed with all practicable speed to the place where the disease, according to the information received by him, exists, or is suspected to exist, and shall there and elsewhere discharge the duties imposed and shall exercise the appropriate powers conferred on him as Inspector by or under the Diseases of Animals Act, 1894, and this Order.

Veterinary Enquiry by Local Authority as to existence of Glanders or Farcy.

4.—(1) A Local Authority on receiving information of the existence, or suspected exist-
