*Electricity Commission,
Savoy Court,
Strand, W.C.2,
9th July 1930.*

For the purposes of the Electricity (Supply) Acts, 1882 to 1928, and all Orders and Licences made or granted and issued thereunder, and any Local Act relating to the supply of electricity, the Electricity Commissioners approve of the construction and pattern of the meter (hereinafter described) for the measurement of electrical energy when supplied on the constant pressure, two wire, single phase, alternating current system, and known as the British Sangamo Type H.E., Single Phase Watthour Meter, rated sizes 2.5, 5, 10, and 20 amperes and 110, 200, 220, 440 and 550 volts at a frequency of 50 cycles per second.

Provided that the meter be constructed as described in the specification and drawings deposited at the National Physical Laboratory, Teddington, Middlesex, dated and numbered 17th July 1926, and No. 116, and 8th April 1930, and No. 129, and be in accordance with one of the pattern meters Nos. 3490983, 3498123, A.3512312, A.3821022 and 5143109 deposited at the National Physical Laboratory on the 7th July 1926, the 22nd September 1926, the 31st January 1927, the 11th March 1927, and the 16th April 1930, by or on behalf of the British Sangamo Company Limited, Cambridge Arterial Road, Enfield, Middlesex, and sealed by the National Physical Laboratory at the instance of the Electricity Commissioners.

The Electricity Commissioners further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification and drawings above referred to.

The approval by the Electricity Commissioners dated the 26th April 1927 of the construction and pattern of the Sangamo Type "H-2" Induction Motor Meter, rated sizes from and including 2.5 amperes to 20 amperes at 110 volts to 550 volts at a frequency of 50 cycles per second and of the means provided of fixing the same and for connecting the same with service lines, is hereby superseded.

Signed by order of the Electricity Commissioners this ninth day of July 1930.

POST OFFICE TELEPHONES.

In pursuance of the Telephone Regulations, 1924, His Majesty's Postmaster General hereby gives notice that the charges for telephonic communication between any place in Great Britain and Northern Ireland and ships in passage between Great Britain and North America are as specified in the schedule hereto.

THE SCHEDULE.

For telephonic communication with ships in passage between Great Britain and North America from:—

—————	Minimum charge covering the first 3 minutes.	Per additional minute or fraction thereof.
	£ s. d.	£ s. d.
1. Any place in Great Britain (except the Isle of Man)	4 10 0	1 10 0
2. Any place in the Isle of Man or Northern Ireland	4 16 0	1 12 0

A "Report Charge" of 10s. (12s. in the case of a call from the Isle or Man or Northern Ireland) is payable, in place of the normal charge, when for any reason beyond the control of the Post Office the person asked for cannot be found and connected with the caller. The hours during which calls may be made vary somewhat with the position of the ship, the service continuing each day for about 10 hours within the period 10 a.m. to 10 p.m. (British Time).

Calls may be booked only for a specified person, and the caller should give the name of the vessel and the name of the passenger with whom conversation is desired, together with such further particulars as will enable him to be traced, as well as his own telephone number and the name associated with that number in the telephone directory.

NOTE.—Communication is at present limited to calls to and from the following ships:—

White Star liners Majestic, Olympic, Homeric.
United States liner Leviathan.

Dated this 11th day of July 1930.

DUNDEE ELECTRICITY (EXTENSION).

NOTICE is hereby given that application has been made to the Electricity Commissioners by the Lord Provost, Magistrates and Councillors of the City and Royal Burgh of Dundee (hereinafter referred to as "the Undertakers"), whose address is City Chambers, Dundee, to amend the draft of a Special Order under the above name or short title, for which application has been made to the said Commissioners by the Undertakers under the Electricity (Supply) Acts, 1882 to 1928, by inserting in the draft Order provisions to enable the Undertakers to supply and distribute electrical energy for all public and private purposes as defined in the said Acts and to exercise all powers usually conferred on distributors of electricity in the following additional areas (that is to say):—

So much of the City of Dundee as constituted at the commencement of this Order as is beyond the area of supply authorised by the Dundee Electricity Orders, 1890 to 1913 (hereinafter called "the Dundee Electricity Orders"), being so much of the City of Dundee as was added to the then City of Dundee from the County of Forfar by the Dundee Boundaries Act, 1913.

A copy of the draft Order as proposed to be amended and a map showing *inter alia* the said

additional areas have been deposited for public inspection in the Office at Dundee of the Principal Sheriff Clerk of the County of Forfar and in the Office of the Town Clerk, City Chambers, Dundee, being the Office of the Local Authority to which the application relates.

Every authority, company, body or person desirous of bringing before the Electricity Commissioners any objections respecting the application must do so by registered letter addressed to the Secretary, Electricity Commission, Savoy Court, Strand, London, W.C.2, and dispatched on or before the 22nd day of September 1930, and a copy of such objections must also be sent at the same time to either the undermentioned Town Clerk or Parliamentary Agents.

Printed copies of the draft Order as proposed to be amended may be obtained at the price of two shillings each from the undermentioned Town Clerk or Parliamentary Agents, and from John Moir Inglis, Clerk, 59 Strathmore Street, Barnhill, Broughty Ferry, Angus.

Dated this 17th day of July 1930.
