**SKELMORLIE ELECTRIC SUPPLY
(EXTENSION).**

NOTICE is hereby given that application has been made to the Electricity Commissioners by The Skelmorlie Electric Supply Company Limited, whose registered office is at 2 West Regent Street, Glasgow (hereinafter referred to as "the Undertakers"), for a Special Order (hereinafter referred to as "the Order") under the Electricity (Supply) Acts, 1882 to 1928, for the following among other purposes (that is to say):—

1. To extend the area of supply for the purposes of the Skelmorlie Electric Supply Order 1910 (hereinafter called "the principal Order") by adding thereto the following area in the Parish of Inverkip and County of Renfrew (hereinafter called "the added area") which area is bounded as follows, viz.:—

That part of the area of supply authorised by the Greenock Electricity (Extension) Special Order 1925 comprising that portion of the Parish of Inverkip in the County of Renfrew included within the area bounded by a line commencing at a point on the Kelly Burn approximately 966 yards if measured in a straight line east of a point on the high water mark in the mouth of said burn in the said Parish of Inverkip and proceeding thence eastwards along the line of the said Kelly Burn forming the County Boundary between the Counties of Ayr and Renfrew along the bends thereof to the outfall of the Kelly Aqueduct part of the Greenock Corporation Water Works thence in a northerly and north-easterly direction along the West side of the said Aqueduct to the sluice at the Compensation Reservoir also belonging to the said Greenock Corporation Water Works; thence in a westerly and north-westerly direction along the south and west sides of the Aqueduct leading from the said Reservoir to Shielhill Farm (Bench Mark 570.6) thence on the easterly and northerly side of road following the bends via Dunrod and Auchness Bridge to the junction of said road with the road from Ardrossan to Greenock (Bench Mark 144.1); thence in a southerly direction along the West boundary of said last-mentioned road for a distance of approximately 100 feet thence along the south-west side of the fence and track running in a north-westerly direction through Bargane Plantation to the junction in the track approximately 510 yards from said last-mentioned road thence in a westerly direction from said junction passing along to the south of the Curling Pond to the point where the northern edge of the said plantation turns north-eastwards a distance of approximately 845 yards, thence in a north-easterly westerly and north-westerly direction along the northern and north-eastern edge of the extension west of the said plantation to the north end of the extension westward a distance

of approximately 1625 yards, thence along the north and east edge of said plantation for approximately 466 yards to a point approximately 200 feet southwest of Underheugh Cottage thence along the south edge of the Tannel Hill Plantation until it strikes the Burn entering the sea approximately 330 yards to the North of the Black Rocks and thence along the course of said Burn to the sea.

2. To extend the powers of the Undertakers under the principal Order to the added area with such variations as are or may be contained in the Order.

3. The Order will or may empower the Undertakers to make both within their existing area of supply and in the added area charges varying from or in excess of those chargeable within their existing area of supply and such charges may be based either upon the actual quantity of energy supplied to the consumer with an additional periodical fixed or service rental charge or by any other method of charge which may be settled and approved by the Electricity Commissioners.

4. To authorise the Undertakers to exercise within the added area such of the powers contained in the Electricity (Supply) Acts 1882 to 1928 and in the enactments incorporated therewith as are usually conferred upon distributors of electrical energy and to incorporate with the Order and make applicable to the Undertakers and to the undertaking with such variations as are or may be contained in the Order all or some of the provisions contained in the Schedule to the Electric Lighting (Clauses) Act 1899.

5. The streets or parts of streets not repairable by the Local Authority within the added area which the Undertakers propose to take special power by the Order to break up are specified in the draft Order as applied for.

6. The streets and parts of streets within the added area in which it is proposed that electric lines shall be laid down within the period specified in the Order are the roads or parts of roads set out in the Third Schedule to the draft Order.

7. Every local or other public authority company or person desirous of bringing before the Electricity Commissioners any objection respecting the application may do so by registered letter addressed to the Secretary, Electricity Commission, Savoy Court, Strand, London, W.C.2, and despatched on or before the thirty-first day of December 1931 and a copy of such Objections must also be sent to the undermentioned Solicitors or Parliamentary Agents.

8. Printed copies of the draft Order as applied for and of the Order as made may be obtained at the price of Two Shillings for each copy at the offices of the undermentioned Solicitors and Parliamentary Agents and from Messrs. John Menzies & Coy. Ltd. at Wemyss Bay Railway Station, Wemyss Bay.

9. A copy of the draft Order has been deposited for public inspection in the offices at Greenock of the principal Sheriff-Clerk of the County of Renfrew and in the office of the County Council of the County of Renfrew being the local
