Civil Service Commission,  
September 29, 1933.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR APPOINTMENT AS TECHNICAL ASSISTANT (MALE) ON THE SCIENTIFIC STAFF OF THE FISHERY BOARD FOR SCOTLAND.

N.B.—These regulations are liable to alteration from time to time. Competitions under these regulations do not take place at fixed intervals, but are held from time to time on the occurrence of vacancies.

1. Application for appointment must be made to the Secretary of the Board at such time and in such manner as may be fixed by the Board. When any vacancy which is not to be filled by promotion within the existing staff occurs, the Board will cause notice to be given by advertisement in the Press, and the last day fixed for the receipt of applications will be stated in such advertisement.

2. Candidates must be between 18 and 24 years of age on the last day fixed for the receipt of applications. If that date were the eighteenth anniversary of a candidate's birth he would be within the limits of age; if it were the twenty-fourth anniversary he would be beyond them. Candidates who have served or are serving in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

3. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

4. Candidates must have gained the Leaving Certificate of the Scottish Education Department or have passed an examination of equivalent standard.

5. The completed application forms will be scrutinised by the Fishery Board, who will take account of the nature of the subjects studied by the candidates in their school course and of any subsequent experience in science or technology, especially in natural history, chemistry, physics and mathematics. Those candidates who in the opinion of the Fishery Board satisfy the conditions of these regula-
