*Civil Service Commission,
March 29, 1935.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE APPOINTMENT OF GUIDE LECTURERS IN THE SCIENCE MUSEUM, BOARD OF EDUCATION.

N.B.—Competitions for appointments under these Regulations are open both to men and women. They do not take place at fixed intervals, but are held as occasion arises on the occurrence of vacancies. The Regulations are liable to alteration from time to time.

1. Candidates must have attained the age of 27 and must not have attained the age of 45 on the 1st April of the year in which the competition is held.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject: provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August 1914 and 11th November 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy, or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. The Board of Education will take such steps as they think most appropriate to make known the existence of any vacancy which they desire to fill and the Civil Service Commissioners will satisfy themselves that the steps taken have been such as to secure all desirable publicity.

5. Application shall be addressed in the first instance to the Director and Secretary of the Science Museum, and shall be made on the appropriate form. He will examine the candidate's credentials and take such other steps as seem good to him to ascertain their qualifications, and will submit the names of such candidates as appear to have the best qualifications for any existing or prospective vacancy to the Board of Education for approval of their candidature. The papers of candidates thus approved will be submitted to the Civil Service Commissioners, who, if dissatisfied with the number or quality of candidates for any vacancy, may require further search to be made for qualified candidates.

6. Candidates must satisfy the Civil Service Commissioners that they have received such systematic education, general or technical, or general and technical together, as in their opinion fits them for the post. In general, candidates should possess a university honours degree or other equivalent qualification, and should have had experience in lecturing.

7. Candidates must satisfy the Civil Service Commissioners as to their health and character. Women candidates must be unmarried or widows, and will be required to resign their appointments on marriage.

8. Candidates who are recommended by the Board of Education and are accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will recommend for appointment the candidate who appears to them to possess the highest qualifications, and their decision will be final. The Selection Board shall be nominated by the Commissioners in consultation with the Board of Education, who shall be represented on the Selection Board, and, when practicable, one of the Commissioners shall be the Chairman. The Selection Board will take into consideration the candidates' record of experience and education, any recommendations that they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at this interview, and on their estimation of all the above evidence they will frame their decisions.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the university, in the Forces, or otherwise.

10. A candidate selected for appointment will be required to pay a fee of £5 10s. before the issue of the certificate of qualification for appointment.
