REGULATIONS FOR THE APPOINTMENT OF MALE ASSISTANT SURVEYORS IN THE CIVIL ENGINEER-IN-CHIEF'S DEPARTMENT OF THE ADMIRALTY AND IN THE WORKS AND BUILDINGS DIRECTORATE OF THE AIR MINISTRY.

*N.B.—These Regulations are liable to alteration from time to time. Competitions do not take place at fixed intervals, but are held as occasion arises.*

1. Candidates must have attained the age of 22 and must not have attained the age of 28 on a date to be fixed in respect of the competition in which they are to take part. Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time not exceeding five years during which they have so served.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

The consent of the authorities of the Department concerned will be required before the child of a naturalised British subject can be appointed either to the Admiralty or to the Air Ministry.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their department to apply for appointment.

No person actually serving in the Army, Navy, or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. Candidates must be prepared to serve at home or abroad, and candidates selected for the Air Ministry must be prepared to undertake journeys by air in connection with the execution of their duties as may be directed.

5. The Civil Service Commissioners will take such steps as they think most appropriate to make known the existence of any vacancy or vacancies which it is desired to fill on any one occasion.

6. Applications shall be addressed to the Civil Service Commission on a form to be obtained from that office. Candidates who appear to be *prima facie* qualified under the regulations will be submitted to a written examination in the following subjects, and will be required to pay a fee of £4 before the examination:—

- (1) Writing a report on some subject connected with the profession.
- (2) Taking out quantities from drawings, abstracting and getting into bill, and measurement of works executed. Reading and interpreting drawings.
- (3) Estimating and valuing, including analysis of prices.
- (4) Specifications and contracts—
  - (a) For works.
  - (b) For supply of material, including use and properties of materials.
- (5) Chain surveying and levelling.

The candidate will be required to qualify in each of the above subjects.

Candidates who are Professional Associates of the Chartered Surveyors' Institution, having qualified under Sub-Division III. (IA Quantities-Typical), or who have passed the examinations prescribed for such qualification, will be exempted from the written examination. A candidate so exempted will be required to pay a fee of £4 before admission to interview by the Selection Board.

7. Candidates who pass the examination or are exempted therefrom will be summoned to appear before a Selection Board, who will recommend for the vacancies existing those candidates who appear to them to possess the highest qualifications, provided they find them qualified. The Selection Board will be constituted by the Civil Service Commissioners, in consultation with the authorities of the Department or Departments in which there are vacancies to be filled, and such Department or Departments will be represented on the Selection Board. The decisions of the Selection Board will be final.

8. When vacancies are offered for competition in more than one Department, it will rest with the Civil Service Commissioners to determine to which Department the successful candidates shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service; but subject to this condition, the wishes of the candidates will, where possible, be respected.

9. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health, and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Head of the Department in which they are employed.

10. A candidate selected for appointment will be required to pay a fee of £8, towards which the fee paid on examination or interview will count, before the issue of the certificate of qualification.

11. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidates' work, whether at school, at the university, in industry or business, in the Forces, or otherwise.

The Civil Service Commissioners further give notice of a competition (written examination followed by Selection Board) to be held under the foregoing Regulations to fill at least one vacancy in the Admiralty, if the necessary candidate should be recommended by the Selection Board. The written examination will be held in London, commencing on the 13th August 1935.

The date on which candidates must be within the prescribed limits of age is the 20th June 1935.

No person will be admitted to Examination from whom the Secretary of the Civil Service Commission has not received, on or before the 20th June 1935, an application, in the Candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.
