CIVIL SERVICE.

SUPPLEMENTARY REGULATIONS dated the 23rd November 1935, made by the Treasury under Article 6 of the Order in Council dated the 22nd July 1920, with respect to the sick leave pay to be allowed to Civil Servants to whom the provisions of Article 19 of the Order in Council of 10th January 1910 formerly applied.

In pursuance of Article 6 of the said Order of 22nd July 1920 the Treasury hereby make the following Regulations supplementary to the Regulations of 6th June 1929 made by them under that Article of that Order and referred to hereafter as the principal Regulations.

1. When the limit referred to in Clause 1 (i.) (d) of the principal Regulations has been reached owing largely to sick leave due to an injury in respect of which an annual allowance could, on the retirement of the officer, be awarded under the appropriate Injury Warrant framed by the Treasury under section 1 of the Superannuation Act, 1887, or section 1 of that Act as amended by section 11 of the Superannuation Act, 1935, the Treasury may, if they think fit, allow in respect of subsequent sick leave, and in addition to the pay (if any) allowed under Clause 1 (ii.) of the principal Regulations, pay at a rate not exceeding the amount of the annual

allowance which could have been awarded under such Injury Warrant if the officer had retired at the expiration of twelve months' sick leave.

Provided that the total pay allowed under this Clause and Clause 1 (ii.) of the principal Regulations shall not in any case exceed half pay, and that, in respect of sick leave due to ordinary illness, pay shall not be allowed under this Clause for a period longer than the period of the sick leave due to the injury which had been allowed up to the date of the expiration of twelve months' sick leave.

2. The following provisions shall apply in the case of officers who have been allowed sick pay inclusive of compensation under any Act relating to Workmen's compensation for the time being in force in Great Britain, Northern Ireland, the Isle of Man or the Irish Free State or of compensation or hurt pay under any Scheme framed under any such Act:—

(i.) Where, in respect of subsequent sick leave due to ordinary illness, half pay would be allowable under Clause 1 (i.) (c) of the principal Regulations, pay may be allowed at a rate not exceeding the appropriate amount of compensation or hurt pay, if greater than half pay, for a period not longer than that for which sick pay inclusive of compensation or hurt pay was allowed.

(ii.) When the limit referred to in Clause 1 (i.) (d) of the principal Regulations has been reached half pay or pay at a rate not exceeding the appropriate amount of compensation or hurt pay, whichever is the less, may be allowed, during any further sick leave due to ordinary illness, for a period not longer than that for which sick pay inclusive of compensation or hurt pay was allowed.

3. Sick leave in excess of the limit referred to in Clause 1 (i.) (d) of the principal Regulations which is allowed under these Regulations shall not be reckoned for the purposes of increment or pension unless the Treasury otherwise direct.

4. These Regulations shall come into force, in regard to Clause 1, with effect from the 1st day of November 1935, and in regard to Clause 2, with effect from the 1st day of February 1929.

Dated this the 23rd day of November 1935.
