*Civil Service Commission,
December 3, 1935.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR THE SITUATION OF CARTOGRAPHER IN THE HYDROGRAPHIC DEPARTMENT OF THE ADMIRALTY.

Competitions under these Regulations are open to candidates of either sex. The Regulations are liable to alteration from time to time.

1. The limits of age for this situation are 19 and 25; candidates must be of the prescribed age on the first day of the examination. A candidate who attained the age of 19 on the first day of the examination would be admitted, but a candidate who attained the age of 25 on that day would not be admitted.

In reckoning age for competition the following allowances will be made:—

(i.) Persons who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(ii.) Persons who have served in any established civil situation to which they were admitted with the certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

The consent of the authorities of the Admiralty is required before the child of a naturalised British subject can be appointed to that Department.

3. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the

appropriate education authority has been notified to the Civil Service Commissioners.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

4. Candidates must satisfy the Civil Service Commissioners as to their health and character. Female candidates must be unmarried or widows, and will be required to resign their appointments on marriage.

5. The subjects of examination and the marks they will carry are as follows:—

(1) English	100
(2) Cartography	200
(3) Physical Geography	100
(4) Surveying	100

(5) } Two of the following:—
(6) }

(a) Mathematics; (b) French or German; (c) Political and Economic Geography; (d) Oceanography	} each.	100

Candidates must obtain such a mark in Subject 2, Cartography, and such an aggregate number of marks in the examination as a whole, as to satisfy the Civil Service Commissioners.

6. Application for permission to attend an examination must be made in the writing of the candidate, at such time and in such manner as may be fixed by the Civil Service Commissioners.

7. A fee of £6 will be required from each candidate attending an examination.

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held under the foregoing Regulations, in London, commencing on the 31st March 1936.

At least one vacancy will be filled on the result of this examination, if the necessary candidate should be found to be duly qualified.

No person will be admitted to examination from whom the Secretary of the Civil Service Commission has not received on or before the 20th February 1936 an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.

MILK ACT, 1934.

Notice is hereby given that the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting jointly, have certified the cheese-milk price for the month of December 1935, as required by Sub-section 2 of Section 4 of the Milk Act, 1934, in the following terms:—

CERTIFICATION OF CHEESE-MILK PRICE.

Whereas by Sub-section (1) of Section 4 of the Milk Act, 1934 (hereinafter referred to as "the Act"), it is provided that for the purposes of the Act the cheese-milk price for any month shall be the excess over one penny three farthings of the average of the prices per pound at which cheese such as is commonly known at the commencement of the Act as "New Zealand Finest White" and "Canadian Finest White" was sold wholesale in Great Britain during the immediately preceding month;

And whereas by Sub-section (2) of the said Section the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, are required to certify as soon as may be after the beginning of September 1934, and of each subsequent month falling before April 1938, the cheese-milk price for that month;

Now therefore, the Minister of Agriculture and Fisheries and the Secretary of State for Scotland, acting in conjunction, hereby certify that the cheese-milk price for the month of December 1935 is 4.36 pence per pound.

The method by which the cheese-milk price for the month as certified above has been computed is as follows:—

(i.) The range of price quotations in respect of sales by wholesale of "New Zealand Finest White" cheese and of "Canadian Finest White" cheese, as published by the London Provision Exchange, Ltd., for each of the periods ended at 11.30 a.m., on each of the Fridays in the preceding month, has been examined.

(ii.) The average of the mean prices for the two kinds of cheese has been ascertained for each of the said periods, exceptional quotations being disregarded. The average of the periodic averages so ascertained has then been calculated to two places of decimals and expressed in pence per pound.

(iii.) From the figure thus obtained one penny three farthings has been subtracted and the balance gives the figure certified above.
