The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING OPEN COMPETITIVE EXAMINATIONS FOR THE SITUATION OF ASSISTANT EXAMINER IN THE PATENT OFFICE, DEPARTMENT OF THE BOARD OF TRADE.

N.B.—Competitions under these Regulations are open both to men and women. The Regulations are liable to alteration from time to time.

1. The limits of age for this situation are 20 and 25, and candidates must be of the prescribed age on the first day of the examination.

In reckoning age for competition the following allowances will be made, viz.:—

(a) Candidates who have served or are serving in the Army, Navy, or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject. Provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Candidates must satisfy the Civil Service Commissioners as to their health and character.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience

in relation to the duties required of her, or of the special requirements of the Department.

4. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the competition, and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the competition.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

5. The subjects of examination are the following:—

- (1) Shorthand.
- (2) English.

Candidates must pass to the satisfaction of the Civil Service Commissioners in Shorthand and in the aggregate of the two subjects.

6. It will rest with the Civil Service Commissioners to determine the Departments to which the successful candidates shall be assigned. In making the assignments the Commissioners will be guided by the requirements of the public service and will consult, as far as possible, the wishes of Departments for the assignment of particular candidates who have served under them. Subject to these conditions, the wishes of candidates will, where possible, be respected.

7. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.
