Civil Service Commission,  
December 22, 1936.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS GOVERNING THE APPOINTMENT OF  
THIRD CLASS VALUERS IN THE VALUATION  
OFFICE OF THE INLAND REVENUE DEPARTMENT.

N.B.—*Competitions under these Regulations are open both to men and women. The Regulations are liable to alteration from time to time.*

1. The Civil Service Commissioners will satisfy themselves that the steps taken by the Department, by public advertisement in the Press or otherwise, to make known the existence of vacancies have been such as to secure all desirable publicity. The advertisement will fix the last day on which applications can be received and the date by which the age limits will be reckoned.

2. Applications will be addressed to the Department on the appropriate form. After the last day for application has been reached, the authorities of the Department will scrutinise all the applications received and recommend to the Commissioners such candidates as appear to them to be best qualified for the duties. They will at the same time forward to the Civil Service Commissioners the application forms of the candidates recommended; together with the forms of any candidates not recommended who are employed in a Government Department; and the list of candidates to be interviewed by the Selection Board will then be settled by agreement between the Department and the Civil Service Commissioners, who may, if dissatisfied with the candidates recommended, take such steps in consultation with the Department as they think fit to obtain other candidates.

3. Candidates recommended by the Department and accepted by the Civil Service Commissioners as possessing the requisite qualifications will be summoned to an interview before a Selection Board, who will select for the vacancies existing those candidates who appear to them to possess the qualifications most suited to the posts to be filled. The Selection Board will usually comprise representatives of the Civil Service Commission, the Department, and a nominee of the Surveyors' Institution.

Other things being equal, preference will be given to candidates who served in His Majesty's Forces between 4th August 1914 and 11th November 1918.

4. Candidates must have attained the age of 25 and ordinarily should not have attained the age of 35 on a date to be fixed in respect of the competition in which they are to take part. Candidates above that age will not be excluded from consideration but preference will be given to those within the stated upper age limit.

5. Candidates must have passed the Final Examination of the Chartered Surveyors' Institution, or the corresponding examination of the Auctioneers' and Estate Agents' Institute or of the Land Agents' Society or of the

Faculty of Surveyors of Scotland, or hold a University Degree (*e.g.*, B.A. (Estate Management) Cambridge, or B.Sc. (Estate Management) London) which gives exemption from the examinations of any one of these bodies. They must have had at least four years' professional experience which may have been obtained in:—

(a) The Office of a F.S.I., F.A.I., F.L.A.S., or member of the Faculty of Surveyors of Scotland in professional practice, or in Government or Municipal service; or

(b) The Office of any other Surveyor, Estate Agent, or Land Agent which in the opinion of the Civil Service Commissioners and the Department gives an adequate experience.

Time which has been spent in study of Agricultural subjects at a University or approved Agricultural College if followed by the obtaining of a Degree or Diploma will be allowed to count up to two years out of the four years.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

6. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August 1914 and 11th November 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

7. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health, and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Department. Appointment will be subject to the

condition that the person appointed may be required to serve in any town in Great Britain. Inland Revenue Valuers are not allowed to engage for profit in commercial dealings in land or houses whether directly or through an agent, or to participate in the control of any business dealing with real and leasehold property, or to accept any fee or reward whatsoever for professional or official services.

8. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Navy, Army, or Air Force will be eligible for consideration unless he produces when called upon to do so the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate Education Authority has been notified to the Civil Service Commissioners.

9. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's work.

10. Candidates selected for appointment will be required to pay a fee of £5.
