Civil Service Commission,
May 25, 1937.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE APPOINTMENT BY COMPETITIVE SELECTION OF FISHERY OFFICERS (MALE) IN THE FISHERIES DEPARTMENT OF THE MINISTRY OF AGRICULTURE AND FISHERIES.

These Regulations are liable to alteration from time to time.

1. Application for appointment shall be made in the first instance to the Secretary, Ministry of Agriculture and Fisheries, at such time and in such manner as may be fixed by the Ministry. When a vacancy occurs, the Ministry will cause notice to be given by an advertisement in the Press, which will include a statement of the last day fixed for the receipt of applications.

2. A candidate must have attained the age of 25 and must not have attained the age of 40 on the last day fixed for the receipt of applications.

3. Every candidate must be a natural-born British subject, the son of a person who is or was at the time of death a British subject; provided that exception may be made:—

(a) In the case of candidates serving in a civil situation to which they were admitted with the certificate of the Civil Service Commissioners.

(b) In the case of natural-born British subjects who served in His Majesty's Armed Forces in the Great War between 4th August 1914 and 11th November 1918.

(c) In the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born

British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

4. Until further notice preference will be given to candidates who served in His Majesty's Forces during the War between the 4th August 1914 and the 11th November 1918.

5. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Army, Navy, or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

6. A candidate must satisfy the Ministry that he possesses a sound general education. Some knowledge of fisheries, or of the fishing industry or of seamanship is desirable. Where special qualifications are required, particulars will be given in the advertisement.

7. The completed application forms will be scrutinised by the Ministry and selected candidates will be interviewed by a Board consisting of representatives of the Ministry and of the Civil Service Commissioners. The Board will recommend to the Ministry for appointment to the vacancies existing those candidates who appear to them to possess the highest qualifications, provided they find so many suitable.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons will disqualify them for appointment. The Selection Board will disregard spontaneous recommendations from persons who are not personally acquainted with the candidate's previous work.

8. The necessary number of candidates will be appointed, subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health, and character, and their appointments will not be confirmed unless and until they have passed a period of two years' probation to the satisfaction of the Ministry.

9. Candidates selected for appointment will be required to pay a fee of £8.
