*Competitions under these Regulations are open both to male and female candidates. The Regulations are liable to alteration from time to time.*

1. Candidates must at the time of the examination be established members of the Minor and Manipulative Grades of the Civil Service within the scope of the National Whitley Council, or members of an unestablished grade corresponding to an established grade the members of which are eligible for admission to the examination; provided that Writing Assistants and Clerical Assistants and members of the typing grades will not be eligible to compete.

3. Candidates must not have attained the age of 30 on the 1st March or the 1st September of the year in which they are examined, according as the examination is held in the first or second half of the year.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

Candidates must obtain such an aggregate number of marks in the examination as a whole as to satisfy the Civil Service Commissioners.

8. It will rest with the Civil Service Commissioners to determine the Departments to which the successful candidates shall be assigned. In making assignments the Commissioners will be guided by the requirements of the public service and will have regard, so far as vacancies permit, to the previous Departmental experience of the candidates and the wishes of Departments for the assignment of particular candidates who have served under them. Subject to these conditions the wishes of candidates will, where possible, be respected.
