October 28, 1938.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS FOR THE NORMAL RECRUITMENT OF MALE ASSISTANT PREVENTIVE OFFICERS IN THE WATERGUARD SERVICE OF THE CUSTOMS AND EXCISE DEPARTMENT.

N.B.—*These regulations are liable to alteration from time to time.*

1. Candidates must have attained the age of 19 and must not have attained the age of 21 on the first day of the examination.

In reckoning age for competition the following allowances will be made:—

(i.) Persons who have served or are serving in the Army, Navy, or Air Force, may deduct from their actual age any time not exceeding seven years during which they have served.

(ii.) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners, may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or

was at the time of death a British subject; provided that exception may be made in the case of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied, in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalisation or by any other voluntary and formal act.

3. No person actually serving in the Army, Navy, or Air Force will be eligible for admission to the examination unless he produces to the Civil Service Commissioners, when called upon to do so, the permission of his Commanding Officer to attend the examination, dated before the commencement of the examination and given in accordance with such orders as may from time to time be issued.

Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to attend the examination before the commencement of the examination.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. The subjects of examination will be as follows:—

	Maximum marks.
1. English	200
2. Reading Manuscript...	100
3. Arithmetic	100
4. Geography	100
5. General Knowledge...	100
6. Viva Voce	200

The Viva Voce test, Subject 6, will be held at a later date than the examination in the remaining subjects. Of the candidates who obtain the highest aggregate marks in Subjects 1 to 5, a certain number, to be determined by the Civil Service Commissioners, will be summoned to the Viva Voce test. The final list of candidates eligible for appointment will be made up by uniting the results of the two parts of the examination.

Candidates must obtain such a mark for the Viva Voce test and such a total of marks in Subjects 1 to 5 taken together as to satisfy the Civil Service Commissioners.

5. Successful candidates will be required to satisfy the Civil Service Commissioners as to their health and character. They will be subjected to a rigid medical examination; they must possess full normal eyesight (without the aid of glasses) and good hearing; and they must be physically capable of performing the active duties of the Waterguard Service.

6. Application to attend an examination must be made at such times and in such manner as may be fixed by the Civil Service Commissioners.

7. Every candidate sending in an application form must at the same time pay the prescribed fee of ten shillings.

The Civil Service Commissioners further give notice that an Open Competitive Examination will be held under the foregoing Regulations, commencing on the 9th March 1939; the first part of the examination will be held in Aberdeen, Belfast, Bristol, Cardiff, Edinburgh, Glasgow, Hull, Liverpool, London, Manchester, Newcastle-on-Tyne, Plymouth, and Southampton.

It is anticipated that not fewer than 30 candidates will be appointed on the result of this examination, if so many should be found to be duly qualified; but no guarantee is given to that effect.

No person will be admitted to examination from whom the Secretary of the Civil Service Commission has not received, on or before the 19th January 1939, an application in the candidate's own handwriting on a prescribed form, which may be obtained from the Secretary at once.
