(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(b) if naturalised British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment;

(c) if not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of National Service, that an exception may properly be made in their favour.

4. Candidates must satisfy the Civil Service Commissioners that they have such experience and have received such systematic education, general or technical, or general and technical together, as in the opinion of the Commissioners fits them for the post. In general, candidates should either have passed an examination qualifying for a University degree, or should possess an equivalent qualification in engineering, industry or science.

who appears to them to be exceptionally well fitted by reason of suitable works or other special practical experience.

The Selection Board may also recommend that a certain number of candidates shall be classified as reserve candidates and considered by the Commissioners for appointment in conjunction with the results of a later Board. The decision of the Commissioners will be final. The Selection Board will take into consideration a candidate's record of experience and education, any recommendations they may receive from persons named by candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of the above evidence they will frame their decision.

9. Persons upon whose training for the occupation of teacher, public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

(c) an application will be accepted from a candidate who expects to obtain an Honours degree not later than 31st August 1948, but such a candidate, if interviewed, will not be declared successful until he has obtained the necessary qualification.

The Commissioners may summon to a preliminary informal interview and will summon to an interview before a Selection Board the candidates who on their Application Forms and the resulting enquiries are found to be *prima facie* eligible; or they may, at their discretion summon only those who appear to possess the highest qualifications for appointment. The Selection Board will take into consideration a candidate's record of experience and education, any recommendations that they may receive from persons named by a candidate as having direct knowledge of his work, with the candidate's scientific and technical ability as shown at the informal interview and his personal qualities as shown at both interviews, and will recommend to the Commissioners for appointment (subject to the terms of Regulation 8) the candidates who appear to them to possess the highest qualifications. The Selection Board may also recommend that a certain number of candidates shall be classified as reserve candidates and considered by the Commissioners for appointment if any successful candidates should not take up their posts. The decision of the Commissioners is final.

8. Of the total number of vacancies to be filled from this competition, Service candidates shall receive not less than one third, provided that a sufficient number of Service candidates reach the required standard.

9. For the purposes of these Regulations candidates shall be regarded as Service candidates if they have rendered whole-time service during any period after 25th May 1939, in

(a) the Armed Forces of the Crown; or

(b) the Mercantile Marine or the Merchant Navy.

10. Persons upon whose training for the occupation of teacher, public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

11. Candidates shall pay a fee of 15s. on application.

12. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them on their application form, will disqualify them for appointment.
