(Sgd.) J. CHUTE-EDIE,  
One of His Majesty's Principal Secretaries  
of State.

Home Office, Whitehall,  
14th January 1949.

The Minister of Labour and National Service, having appointed the Rubber Proofed Garment Making Industry Commission of Inquiry in accordance with the Second Schedule to the Wages Councils Act, 1945, has referred to it a joint application made to him by the Rubber Proofed Garment Manufacturers' Association and the Waterproof Garment Workers' Trade Union, under Section 2 of the Act, for the establishment of a Wages Council in respect of the workers specified in the Schedule to this Notice and their employers, on the ground that the existing machinery for the settlement of the remuneration and conditions of employment for the said workers is likely to cease to be adequate for that purpose.

Under Section 4 of the Act, it is the duty of the Commission to inquire into and report to the Minister on the said application, to consider any other question or matter which in its opinion is relevant thereto, and in particular to consider whether there are any other workers (being workers who, in its opinion, are engaged in work which is complementary, subsidiary, or closely allied to the work performed by the workers specified in the Schedule hereto, or any of them) whose position should be dealt with together with that of the workers, or some of the workers, specified in the Schedule hereto.

In considering whether any machinery is, or is likely to remain, adequate for regulating the remuneration and conditions of employment of any workers, the Commission is required by Section 4 of the Act to consider not only what matters are capable of being dealt with by that machinery, but also to what extent those matters are covered by agreements or awards arrived at or given thereunder, and to what extent the practice is, or is likely to be, in accordance with those agreements or awards.

Accordingly the Commission hereby gives notice, pursuant to Section 9 of the Act, that it will consider representations with respect to the foregoing matters made to it in writing

at the offices of the Commission at 1 Bryanston Square, London, W.1, on or before the first day of March 1949.

K. H. CLUCAS,  
Secretary to the Commission.
