*Civil Service Commission,  
25th April 1950.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :—

## RECRUITMENT UNDER NORMAL REGULATIONS OF SECOND AND THIRD CLASS VALUERS IN THE INLAND REVENUE.

1. Candidates must (save as provided below) be at least 25 and under 35 years of age on the 1st May 1950.

But, exceptionally for the year 1950, candidates who are 35 years of age or over on that date will be eligible, without any upper age limit. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

2. (i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.

3. Candidates must be British subjects. They must also satisfy one of the following conditions :—

(a) If natural born British subjects, they must either  
(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must have passed the Final Examination of the Royal Institution of Chartered Surveyors, or of the Chartered Auctioneers' and Estate Agents' Institute, or of the Land Agents' Society, or hold a University Degree (e.g., B.Sc. Estate Management) London, or B.A. (Estate Management Cambridge) which gives exemption from the examination of any one of these bodies. Candidates who are sitting their final examination in Spring or Summer, 1950, may submit provisional applications on the understanding that they will be

declared ineligible if they fail to pass the examination. All candidates must, on the closing date for the receipt of applications, have had at least four years' professional experience before or after qualifying in :—

- (a) the office of a F.R.I.C.S., F.A.I., F.L.A.S., or any Government or municipal service; or
- (b) the office of any other surveyor, estate agent, or land agent which in the opinion of the Commissioners and the Department gives an adequate experience.

Time spent on agricultural subjects at a University or approved Agricultural College and followed by the obtaining of a degree or diploma may count up to two out of the required four years.

For posts involving the valuation of minerals, four years' mining experience will be required in place of the professional experience specified above, and for these posts possession of a First Class Certificate of Competency (Mine Managers) or the passing of the Final Examination of the Royal Institution of Chartered Surveyors in the Mining sub-division will be accepted as professional qualifications.

Candidates for vacancies in Scotland should preferably have had Scottish experience.

5. Successful candidates must satisfy the Commissioners as to their health and character.

6. Every candidate must apply on the appropriate form within the time and in the manner of which notice is given by the Commissioners.

7. Those candidates who appear from their application forms to have the best qualifications will be summoned to an interview before a Selection Board which will recommend to the Commissioners for appointment the candidates who appear to them to be most suitable. The Board will take into consideration the candidates' record of education and experience, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview, and on their estimation of the above evidence they will frame their recommendations. When the Board recommend a candidate to a post for the valuation of minerals in England and Wales, they will recommend him for appointment as Second Class or Third Class Valuer according to his qualifications and experience. The decision of the Commissioners will be final.

8. Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. Every successful candidate will be required to pay a fee

of £1 10s. before the issue of a certificate of qualification for appointment.

10. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them from appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work.
