The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

INDUSTRIAL CHEMISTS AND CHEMICAL ENGINEERS IN THE MINISTRY OF SUPPLY. RECONSTRUCTION COMPETITION FOR HIGHER DEPARTMENTAL CLASSES.

1. *Sex.*—Both men and women may compete under these regulations.

2. *Age.*—Candidates must be at least 30 years of age on 1st January 1950. The Commissioners have not specified an upper age limit for this Competition. In general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service, and accordingly the Commissioners reserve the right to give weight to this factor in considering candidates for these posts who are over 50 years of age.

3. *Nationality.*—Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural born British subjects they must either  
(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in His Majesty's dominions and or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalized British subjects, they must have resided in His Majesty's dominions and or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

Provided that a candidate will not be eligible for an appointment unless he is a natural-born British subject and born within the United Kingdom or in one of the self-governing Dominions, of parents also born within the United Kingdom or in one of the self-governing Dominions, except when the circumstances are such as to justify a departure from the general rule, in which case, provided the candidate satisfies the conditions prescribed by the preceding paragraphs, he may be admitted to appointment or competition by special permission of the Minister of Supply.

4. *Qualifications.*—A candidate must either—

(a) have a University honours degree in metallurgy, engineering, chemistry, physics, or chemical engineering. Candidates must also have had at least three years approved experience in a factory or industrial laboratory; or

Exceptionally, alternative evidence of very high attainments in his profession may be accepted.

5. *Health and Character.*—Successful candidates must satisfy the Commissioners as to their health and character.

6. No person who is undergoing a course of study with the aid of a grant from public funds shall be eligible to compete before the completion of the course, unless he or she has previously obtained permission to do so from the authority which administers the grant.

7. *Application.*—Application must be made on the appropriate form within the time and the manner of which notice is given by the Commissioners.

8. *Competition.*—Those candidates who from the particulars furnished on their Application Forms, and any further information which the Commissioners think necessary to obtain, are found to be *prima facie* eligible will be summoned to a Selection Board. Except that the Commissioners may, if they see fit, summon only those candidates who by reason of their experience and qualifications, appear to be most suitable for appointment. The Selection Boards will take into consideration the candidates' record of experience and training, any recommendations from persons named by the candidate as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of all the above facts they will frame their recommendations. The decisions of the Commissioners will be final.

9. *Candidates Trained as Teachers.*—Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate education authority (*e.g.*, the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

10. *Canvassing.*—Any attempt on the part of candidates to enlist support for their application through Members of Parliament, or other influential persons, except as referees to be named in their Application Forms, will disqualify them for appointment.

11. *Fee.*—A successful candidate will be required to pay a fee of £1 10s. before the issue of a certificate of qualification for appointment.

*Civil Service Commission,*  
15th August 1950.

(c) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they have spent in such service before 1st September 1950.
