TREASURY MINUTE DATED 8th NOVEMBER 1951, PRESCRIBING THE TERMS UPON WHICH THE REPAYMENT OF LOANS MADE FROM THE LOCAL LOANS FUND BEFORE 1st AUGUST 1945 MAY BE ALLOWED IN ADVANCE OF THE DUE DATE.

1. My Lords have had under further consideration the terms upon which repayment of loans made to Local Authorities and others from the Local Loans Fund before 1st August 1945 can be accepted in advance of the date at which, in accordance with the terms agreed to by the borrower at the time when the loan was made, the principal of such loans falls due for repayment.

2. Having regard to the intention of Parliament, as embodied in the Statutes governing the Fund, that the Fund should be safeguarded against loss, and to the importance of maintaining the general principle that borrowers repaying before the due date should repay an amount sufficient to liquidate the liability incurred by the Fund in respect of the advance, My Lords conclude that, in the light of prevailing monetary conditions, the provisions of Treasury Minute of 2nd January 1948 are no longer appropriate.

3. My Lords have therefore decided that, on or after the 10th November 1951, repayments in advance of the due date in respect of loans advanced before 1st August 1945 may only be accepted provided:—

(i) that at least a month's notice of the intention to repay has been given to the Public Works Loan Commissioners;

(ii) that the borrower repays a sum equal to the present value of the annuity payments (or payments of equal instalments of principal with diminishing interest) still remaining to be made to the Public Works Loan Commissioners under the mortgage with those Commissioners, such present value being calculated by discounting the annuity payments (or other annual or half-yearly payments) at a rate of $3\frac{1}{2}$ per cent.

4. My Lords authorize and require that unless and until they shall otherwise direct, and subject to the exceptions provided for below and in Treasury Minute of 10th December 1947, the cash sums to be lodged in respect of the repayment in advance of loans made from the Local Loans Fund before 1st August 1945 shall, on and after 10th November 1951, be calculated in accordance with the terms of this Minute.

5. Should any question arise in a particular case as to the correct amount of the discounted value of the annuity (or other) repayments which it is desired to anticipate under the terms of this Minute, the matter shall be referred to the Lords Commissioners of His Majesty's Treasury whose decision shall be final.

6. As an exception, repayment in respect of unexpended balances of loans already advanced will continue to be accepted (subject to due notice) on the basis of £100 for each £100 cash advanced in any case where the Public Works Loan Commissioners are satisfied that the balance is unexpended either because a scheme is less costly than was anticipated or because it has been definitely reduced in extent.

7. Treasury Minute of 2nd January 1948 is hereby cancelled with effect from 10th November 1951.
8. This Minute does not affect the validity of the Treasury Minute of 1st August 1945 (regarding loans made on or after that date) which remains in force.

Civil Service Commission,
9th November 1951.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz. :—

RECRUITMENT OF ASSISTANT KEEPER, FIRST CLASS, IN THE SCOTTISH RECORD OFFICE.

- (i) Both men and women may compete under these regulations.
(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid.
- Age.
Candidates must be at least 30 years of age on 1st July 1951. The Commissioners have not specified an upper age limit for this post; in general, however, Government Departments require a reasonable period of service from persons newly appointed to the Civil Service; and accordingly the Commissioners reserve the right to give weight to this factor in considering any candidates for the post who are over 50 years of age.
- Candidates must be British subjects. They must also satisfy one of the following conditions:—
 - If natural-born British subjects they must either
 - have at least one parent who is or was at the time of death a British subject; or
 - have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.
 - If naturalized British subjects they must have resided in His Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.
 - If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with His Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.
- A person upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate Central Education authority (e.g., the Scottish Education Department, the Ministry of Education, the Ministry of Education for Northern Ireland) has been notified to the Civil Service Commissioners.
- Candidates must possess a University degree with preferably first class honours in History (preferably including Scottish History), or in Law (preferably including Scots Law); they must also have a good knowledge of Latin and

some knowledge of French; knowledge of archives administration will be an advantage.

6. Candidates who appear from their application forms to have the best qualifications and experience will be required to attend before a Selection Board, who will recommend for the vacancy the candidate who seems most suitable. The decision of the Civil Service Commissioners will be final.

7. Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons (except as referees to be named by them in their application form) will disqualify them for appointment. The Selection Board will disregard recommendations from persons who are not personally acquainted with the candidate's work, whether at school, at the University or otherwise.

8. The appointment of the selected candidate will be subject to his satisfying the Commissioners as to his eligibility in respect of age, nationality, health, and character, and will not be confirmed unless and until he has passed the prescribed period of probation to the satisfaction of the Keeper of the Records of Scotland.

9. The successful candidate will be required to pay a fee of £1 10s. 0d. before the issue of a certificate of qualification for appointment.
