GOD SAVE THE QUEEN.

TREASURY MINUTE DATED 8TH FEBRUARY 1952, PRESCRIBING THE TERMS UPON WHICH REPAYMENTS OF LOANS MADE FROM THE LOCAL LOANS FUND MAY BE ALLOWED IN ADVANCE OF THE DUE DATE.

1. My Lords have had under further consideration the terms upon which repayment of loans made to Local Authorities and others from the Local Loans Fund can be accepted in advance of the dates at which, in accordance with the terms agreed to by the borrowers at the time when the loans were made, the principal of such loans falls due for repayment.

2. Having regard to the intention of Parliament, as embodied in the Statutes governing the Fund, that the Fund should be safeguarded against loss, and to the importance of maintaining the general principle that borrowers repaying before the due date should repay an amount sufficient to liquidate the liability incurred by the Fund in respect of the advance, My Lords have decided that on and after 9th February 1952, repayments before the due date may be accepted only on the following conditions:—

- (i) that in all cases at least one month's notice of the intention to repay has been given to the Public Works Loan Commissioners;
- (ii) that in the case of loans advanced out of the Fund before 1st August 1945, the borrower repays a sum equal to the present value of the annuity payments (or payments of equal instalments of principal with diminishing interest) still remaining to be made to the Public Works Loan Commissioners under the mortgage with those Commissioners, such present value being calculated by discounting the annuity payments (or other annual or half-yearly payments) at a rate of 4½ per cent.: provided however that the minimum sum to be repaid in respect of each £100 of principal outstanding shall be £100 cash;
- (iii) that in the case of loans advanced out of the Fund on or after 1st August 1945, the borrower repays a sum equal to the present value of the whole or any proportionate part of the annuity payments (or payments of equal instalments of principal with diminishing interest) still remaining to be made to the Public Works Loan Commissioners under the mortgage with those Commissioners, such present value being calculated by discounting the annuity payments (or other annual or half-yearly payments) at a rate equal to the rate of interest at which loans from the Fund for a period similar to that of the original loan are authorized to be made on the day seven days before the date at which the notice of repayment expires and the repayment is made: provided however that the minimum sum to be repaid in respect of each £100 of principal outstanding shall be £100 cash.

My Lords authorize and require that, unless and until they shall otherwise direct and subject to the exceptions provided for below, the cash sum to be lodged in respect of the repayment in advance of loans made from the Local Loans Fund shall be calculated in accordance with the terms of this Minute.

3. Should any question arise in a particular case as to the correct amount of the discounted value of the annuity (or other) repayments which it is desired to anticipate under the terms of this Minute, the matter shall be referred to Their Lordships whose decision shall be final.

4. As an exception to the above principle, repayment of any unexpended balance of a loan already advanced will, as hitherto, be accepted (subject to due notice) on the basis of £100 cash in respect of each £100 of principal outstanding where the Public Works Loan Commissioners are satisfied that the balance is unexpended either because a scheme is less costly than was anticipated or because it has been definitely reduced in extent.

5. My Lords further direct that (subject to due notice)—

- (a) repayment in advance of the due date shall be accepted on the basis of £100 cash in respect of each £100 of principal outstanding—
 - (1) of loans advanced to a local authority under Part V of the Housing Act, 1936, or for the purposes of Part III of the Housing (Scotland) Act, 1925, in connection with the erection of structures made available under Section 1 of the Housing (Temporary Accommodation) Act, 1944, where repayment arises from the sale of land no longer required owing to the dismantling of such structures;
 - (2) of loans advanced to a local authority to the extent that repayment represents repayments to the local authority by borrowers of loans advanced by that authority under the Small Dwellings Acquisition Acts or the Small Dwellings Acquisition (Scotland) Acts; or under Section 91 of the Housing Act, 1936, or Section 75 of the Housing (Scotland) Act, 1925,

and similar enactments; provided that the sums to be repaid prematurely:—

- (a) are sums which have been or are about to be repaid prematurely at par to the local authorities by borrowers whose advances under the enactments mentioned were financed out of loans from the Public Works Loan Board; and
- (b) are applied *pro rata* in discharge or reduction of the loans from the Public Works Loan Commissioners out of which the relative advances were financed by the local authority.

6. Treasury Minutes of 1st August 1945, 10th December 1947, 8th November 1951, and 31st December 1951, are hereby cancelled with effect from 9th February 1952.

Treasury Chambers, London, S.W.1.

The Lords Commissioners of Her Majesty's Treasury hereby announce that They have made an Order under Section 21 (1) of the Finance Act, 1948, namely, the Purchase Tax (No. 1) Order, 1952.

The Order relieves from purchase tax certain articles in the category of vessels designed for use primarily as containers for food or drink, and serving trays, bread boards, etc., which are at present chargeable at 100 per cent. by reason of being, e.g., in the form of figures, decorated by hand-painting, etc.

It does so by amending Part I of the Eighth Schedule to the Finance Act, 1948, which sets out the classes of goods chargeable with the tax, and provides that articles which are not chargeable under Group II by virtue of paragraph (i) of that Group shall not be chargeable under Groups 25 or 29.

The alteration does not affect articles which are within the ambit of Groups other than 25 or 29 (e.g., Group 27, goldsmiths' and silversmiths' wares): these will remain chargeable under the appropriate Group.

The Order also provides that articles shall not be chargeable at 66½ per cent. under Group 29 if they are comprised in any other Group—e.g., if they are mentioned in any other Group as "Not chargeable under this Group." The superseded paragraph (b) of Group 29 excluded only articles which were chargeable under other Groups.

The Order, which came into operation on the 11th February 1952, has been published as Statutory Instruments 1952, No. 193, and copies may be purchased (price 2d. net) direct from Her Majesty's Stationery Office at the following addresses: York House, Kingsway, London, W.C.2; 429 Oxford Street, London, W.1; P.O.
