*Civil Service Commission,
24th September 1954.*

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

REGULATIONS FOR THE RECRUITMENT OF THIRD CLASS VALUERS IN THE INLAND REVENUE

1. Age.

Candidates must be at least 25 and under 34 years of age on 1st October 1954. But a candidate who has served or is serving on a regular (including a regular short-service) engagement in H.M. Forces may for this purpose deduct from his actual age the period of such service rendered before 1st October 1954.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment

the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's Dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's Dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Commissioners that they are so closely connected with Her Majesty's Dominions either by ancestry, upbringing, or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Qualifications.

Candidates must have passed the Final Examination of the Royal Institution of Chartered Surveyors, or of the Chartered Auctioneers' and Estate Agents' Institute, or of the Land Agents' Society, or hold a University Degree (e.g., B.Sc. (Estate Management) London, or B.A. (Estate Management) Cambridge), which gives exemption from the examinations of any one of these bodies. All candidates must, on the closing date for the receipt of applications, have had at least four years' professional experience before or after qualifying in:—

(a) the office of a F.R.I.C.S., F.A.I., F.L.A.S., or any Government or municipal service; or

(b) the office of any other surveyor, estate agent, or land agent which in the opinion of the Commissioners and the Department gives an adequate experience.

For posts in Scotland it is desirable that candidates should have passed the Final Examination of the Royal Institution of Chartered Surveyors (with Scottish Section) and that their professional experience should have been gained in Scotland.

For posts involving the valuation of minerals, four years' mining experience will be required in place of the professional experience specified above, and for these posts possession of a First Class Certificate of Competency (Mine Managers), or the passing of the Final Examination of the Royal Institution of Chartered Surveyors in the Mining sub-division will be accepted as professional qualifications. Candidates should have some knowledge of the problems arising from subsidence in mining areas as well as of the valuation of minerals.

5. Health and Character.

Successful candidates must satisfy the Commissioners as to their health and character.

6. Competition.

Those candidates who appear from their application forms to have the best qualifications will be summoned to an interview before a Selection Board which will recommend to the Commissioners for appointment the candidates who appear to them to be most suitable. The Board will take into consideration the candidates' record of education and experience, any recommendations that they may receive from persons named by the candidates as having direct knowledge of their work in the past and from candidates' past employers, and the personal qualities of the candidates as shown at the interview. The decision of the Commissioners will be final.

7. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland), has been notified to the Commissioners.

8. Canvassing.

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointments.

9. Fee.

Every successful candidate will be required to pay a fee of £4 before the issue of a certificate of qualification for appointment.
