ROYAL BURGH OF MONTROSE  
COAST PROTECTION ACT, 1949

THE Montrose Town Council, acting in their capacity as Coast Protection Authority, hereby give notice, under sub-section (1) of Section 5 of the above Act, that they propose to carry out coast protection work as described herein at Sea Front, Montrose.

The work will consist of a line of steel sheet piling, driven adjacent to High Water Mark, behind which filling material will be deposited at a slope of 2 horizontal to 1 vertical. The surface of this material will be covered with a 4" layer of bituminised sand to seal the filling material. On top of the bituminised sand, a rough stone surface will be formed 15" deep, composed of stones laid on edge. The face of this stonework slope will be divided into compartments, almost square on plan, by transverse reinforced concrete beams placed at 25 feet intervals along the defence work. The top of the stonework slope will be bounded by a longitudinal wave-wall, with supporting piles at 25 feet intervals. The top of the wave-wall will be about 15 feet 9 inches above High Water ordinary spring tides, and the protective works will extend from about 400 feet south of the existing Cafe to 150 feet north of the Shelter, a total distance of about 1350 feet.

It is also proposed to erect a wave baffle 100 feet long at each end of the protective work consisting of two horizontal 12" square greenheart beams supported on 12" square greenheart piles.

The estimated cost of the work is £50,400.

Any person may, not later than 9th December 1954, serve written notice of objection to the above proposal on the Secretary of State and on the Coast Protection Authority. Any such notice must contain a statement of the grounds of objection and must be sent by prepaid post to the Secretary, Scottish Home Department, St. Andrew's House, Edinburgh, 1, and to the Clerk of the Authority at the address shown below.
