Civil Service Commission, 22nd March 1955

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz:—

Regulations for the recruitment of Civilian Instructors (men) under the War Office.

1. Men only are eligible.

2. There are no age limits, but Departments expect regular and effective service for a reasonable period, and this requirement will be taken into account.

3. Candidates must be natural-born British subjects born within the United Kingdom or in one of the self-governing Dominions of parents also born within the United Kingdom or in one of the self-governing Dominions. No departure from this rule will be made without the special permission of the Secretary of State for War and then only in exceptional cases and in favour of candidates who are British subjects and who also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either:—

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph they must satisfy the Civil Service Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

4. Candidates must be (a) experienced and fully-skilled in their particular trade, craft or subject, (b) able to teach their trade, craft or subject, and (c) able to supervise the work, and maintain control, of trainees engaged in their trade, craft or subject.

Candidates should have undergone the training usual in their particular trade, craft or subject, followed by practical experience on fully-skilled work for a reasonable number of years (normally not less than five years in a craft trade). These provisions may be waived only exceptionally for individual candidates whose training in the trade, craft or subject and practical experience are comparable to the qualifications normally required. It is desirable for candidates for posts in Grade III (X trades) to be in possession of an Ordinary National Certificate or City and Guilds Certificate or equivalent qualifications in the appropriate subject where such qualifications exist.

5. Those candidates who appear from their applications to have the best qualifications and experience will be required to take a test and will be summoned to interview before a Selection Board which will recommend for the vacancy existing the candidate who seems to be most suitable.

6. Any attempt on the part of candidates to enlist support for their applications through members of Parliament or other influential persons will disqualify them for appointment.

7. The necessary number of candidates will be appointed in an unestablished capacity subject to their satisfying the Civil Service Commissioners that they are eligible for appointment in respect of age, nationality, health and character and to the payment of a fee of 5s.

8. After a minimum qualifying period of two years' unestablished service in the class Civilian Instructors appointed under these Regulations may be considered for appointment to the established staff as and when vacancies occur thereon, if they are recommended by their Department as qualified in other respects. Those so considered will appear before a final Selection Board set up by the Civil Service Commissioners, which will recommend to the Commissioners the candidates who appear to be qualified.

9. Appointment to the established staff is conditional on the issue by the Civil Service Commissioners of a certificate of qualification: a further fee as follows is payable before the certificate of qualification can be issued:—

Grades III and IV

15s., being the balance of the prescribed fee of £1.

Grade V

10s., being the balance of the prescribed fee of 15s.
