6. Competition.

Those candidates who appear from their application forms to have the best qualifications will be summoned to appear before a Selection Board in London which will recommend to the Commissioners for appointment, in an established or an unestablished capacity, the candidates who appear to be most suitable. The Board will take into consideration the candidates' record of education and experience, any recommendation that they may receive from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview; and on their estimation of the above evidence they will make their recommendations. The decision of the Commissioners will be final.

7. Health and Character

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

8. Candidates Trained as Teachers.

Persons upon whose training for the occupation of teacher public money has been spent cannot be appointed until the consent of the appropriate central education authority (e.g. the Ministry of Education, the Scottish Education Department, the Ministry of Education or Northern Ireland) has been notified to the Commissioners.

9. Canvassing.

Any attempt on the part of the candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

Successful candidates aged 18 or over on the 1st June 1955 who possess the necessary experience (see Regulation 5 above) will enter the grade in an established capacity.

Other successful candidates will enter in an unestablished capacity in the first instance, and will be considered for established appointment after such period of training as may be necessary in each case subject to the minimum age-limit of 18. When the training period exceeds two years, the Commissioners may require the officer to satisfy a second Interview Board set up by them at the end of his training.

Appointment to the established staff will be conditional upon the issue of the Commissioners' certificate of qualification.

11. Fee.

A successful candidate for established appointment will be required to pay a fee of £1. 10s. before the issue of a certificate of qualification.
