(2) candidates who have served in any established post to which they were admitted with the Certificate of the Civil Service Commissioners, or who have served on

established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from their actual age any time not exceeding two years which they have spent in such service before 1st January, 1956;

(3) candidates over the age of 34 will be admitted to the competition if they have served in Government Departments as temporary Quantity Surveyors for at least two years continuously up to their date of application.

2. Sex and Marriage.

(i) Both men and women may compete under these Regulations, except that women will not be eligible for appointments under the Admiralty, War Department or Air Ministry.

(ii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who resigned compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

3. Nationality

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is, or was at death, a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

4. Qualifications.

A candidate who is taking before the closing date for applications an examination necessary to qualify for admission to the competition will be admitted before the result of the examination is known. He will not, however, be declared successful unless on the result of the examination he obtains the requisite qualification.

All candidates should possess professional ability. Normally this should be supported by evidence of appropriate professional experience in private or outside practice or in the service of a Local Authority or Government Department. In all cases the candidate's professional ability will need to be effectively demonstrated within the period of probation (or corresponding period of trial).

Only one application may be made for the competition governed by these Regulations.

7. *Competition.*

Those candidates who on the evidence of the application forms, and any further information which the Commissioners think necessary to obtain, are found to be *prima facie* eligible, will be summoned to a Selection Board. The Commissioners may, if they see fit, summon only those candidates who by reason of their experience and qualifications appear to be most suitable for appointment. The Selection Board will take into consideration the candidates' record of experience and training, any recommendation from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview. The decision of the Commissioners will be final.

8. *Candidates Trained as Teachers.*

Persons upon whose training, elsewhere than in England or Wales, for the occupation of teacher public money has been spent, cannot be appointed until the consent of the appropriate education authority (e.g., the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

9. *Assignment.*

The Commissioners will decide to which Department each successful candidate is to be assigned. Assignment will be made in accordance with the needs of the public service but the wishes of candidates will, where possible, be respected.

10. *Canvassing.*

Any attempt on the part of candidates to enlist support for their application through Members of Parliament or

other influential persons, except as referees to be named in their application forms, will disqualify them for appointment.
