## 3. Nationality.

(1) To be eligible for appointment (other than to a situation in the Admiralty, War Office or Air Ministry) a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:—

## 4. Qualifications.

A candidate who is taking before the closing date for applications an examination necessary to qualify for admission to the competition will be admitted before the result of

the examination is known. He will not, however, be declared successful unless on the result of the examination he obtains the requisite qualification.

All candidates should possess professional ability. Normally this should be supported by evidence of appropriate professional experience in private or outside practice or in the service of a Local Authority or Government Department. In all cases the candidate's professional ability will need to be effectively demonstrated within the period of probation (or corresponding period of trial).

## 5. Competition.

Those candidates who on the evidence of the application forms, and any further information which the Commissioners think necessary to obtain, are found to be *prima facie* eligible, will be summoned to a Selection Board. The Commissioners may, if they see fit, summon only those candidates who by reason of their experience and qualifications appear to be most suitable for appointment. The same Selection Board may consider a candidate at one interview for one or more of the classes. The Selection Boards will take into consideration the candidates' record of experience and training, any recommendations from persons named by the candidates as having direct knowledge of their work in the past, and the personal qualities of the candidates as shown at the interview. The decision of the Commissioners will be final, and will be announced separately for the separate classes.

## 6. Application.

Only one application may be made for the competition governed by these regulations.
