Civil Service Commission, 8th April, 1958.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:-

REGULATIONS FOR THE RECRUITMENT OF MEN AND WOMEN WITH SERVICE IN H.M. FORCES TO THE EXECUTIVE CLASS OF THE HOME CIVIL SERVICE.

1. Both men and women are eligible, but women will not ordinarily be appointed to posts in the Admiralty or War Office or to the Immigration Service of the Home Office.

2. No candidate may compete more than twice under these or similar Regulations.

3. Age.

There is no upper age limit, but in appointing persons in a permanent capacity Departments expect regular and effective service for a reasonable period, and the Commissioners will take this requirement into account.

4. Nationality.

To be eligible for appointment a candidate must be a British subject, a British protected person or a citizen of the Irish Republic and in addition satisfy one of the following conditions:-

(a) if he was a British subject, a British protected person or a citizen of the Irish Republic at birth—

(i) at least one of his parents must be, or have been at death, a British subject, a British protected person

or a citizen of the Irish Republic, or

(ii) the candidate must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(b) if he was not a British subject, a British protected person or a citizen of the Irish Republic at birth, he must have resided in a country or territory within the Commonwealth or in the Irish Republic or been employed elsewhere in the service of the Crown or partly have so resided and partly been so employed for at least five years out of the last eight years preceding the date of his appointment:

(c) if not qualified under sub-paragraph (a) or sub-paragraph (b) of this paragraph, he must satisfy the Commissioners that he is so closely connected with a country or territory within the Commonwealth either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in his favour.

5. Education.

No precise educational qualifications are prescribed, but candidates will be expected to have attained the standard of education of persons who have had whole-time systematic education up to the age of at least 17 years.

6. Service.

All candidates must on 1st August, 1958, either

(i) be within one year of completing a period of whole-time service in H.M. Forces; or

(ii) have completed a period of such service within the past two years (i.e. not earlier than 1st August, 1956).

7. Sections.

Eligible candidates will be divided into three sections according to the length of their whole-time service on the termination of such service or on 31st July, 1959, whichever is the earlier:

Section I for those whose total service amounts to, or will amount to, less than three years;

Section II for those whose total service amounts to, or will amount to, at least three years, but less than twelve years; and

Section III for those whose total service amounts to, or will amount to, twelve years or more.

Provided that candidates who contracted to complete a period of not less than three years' continuous whole-time service in H.M. Forces, including not less than one year of whole-time voluntary service entered into for a fixed period (including in the case of officers a permanent commission) and who before completing that period have been invalided out or prematurely released from service on other grounds, will be placed in Section II if their actual period

of service amounts to less than twelve years, or in Section III if they have served for twelve years or more.

8. Examination.

(i) The written examination will consist of papers in English and Arithmetic, two General Papers, and an Intelligence Test.

(ii) Of the candidates who obtain the highest marks in the written examination a certain number, to be fixed by the Commissioners, will be called to interview.

(iii) Each candidate in Section I who is called to interview will be awarded a mark by the Interview Board for his record and personal qualities. The final order of merit among those candidates will be determined by combining the marks for written examination and interview.

(iv) The final order of merit within their Sections of the candidates in Sections II and III who are interviewed will be determined by the mark awarded by the Interview Board (out of a maximum of 300). This will take into consideration the candidate's record, his intelligence and personal qualities, and his work in the written examination.

(v) The quota of vacancies allotted to Sections II and III will be divided between those Sections in proportion to the number of candidates competing in each Section, provided that if the number of candidates of acceptable standard in either Section is insufficient, the remaining vacancies may be transferred to candidates in the other Section.

(vi) In the event of a tie between two or more candidates, the Commissioners will decide which to declare successful. Even if there are unfilled vacancies, no candidate will be appointed who does not reach a standard that satisfies the Commissioners.

Successful candidates must satisfy the Civil Service Commissioners on health and character.

Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

13. Canvassing.

Any attempt on the part of candidates to enlist support for their applications through Members of Parliament or other influential persons, except as referees to be named by them in their application forms, will disqualify them for appointment.

14. Fee.

An application fee of 15s. is payable by all candidates. This must be sent with the application form and is not returnable in any circumstances. A further fee of £1 5s., being the balance of the fee of £2, must be paid by each candidate on admission to the examination.

15. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment.
