

The purpose of the Scheme is to prevent the River Leven from flooding an area to the west of the Bridge carrying the trunk road A.82 over said River Leven at Kinlochleven. The banks of the said River Leven which have been eroded as a result of flood damage are to be re-formed largely by material from the present bed of the River and protected by rip-rap or gabion construction.

A copy of the Scheme as confirmed by the Secretary of State may be inspected by any person free of charge in the office of the subscriber at all reasonable hours.

If any person aggrieved by the Flood Prevention Scheme desires to question the validity thereof or of any provision contained therein on the grounds that it is not within the powers of the said Flood Prevention (Scotland) Act 1961 or on the ground that any requirement of the Act has not been complied with in relation to the making or confirmation of the Scheme that person is entitled to proceed in accordance with the terms of paragraph 9 of the said Second Schedule to the Act.
