REFERENCE TO THE NATIONAL BOARD FOR PRICES AND INCOMES

GAS TARIFFS

IN accordance with the arrangements for giving the Government advance notice of changes in tariffs, the Scottish Gas Board, the Wales Gas Board, and the South Western Gas Board have brought to the attention of the Minister of Power proposals to increase their tariffs in November. The increases would amount on average to 13%, 8½%, and 8% respectively.

The First Secretary of State has been consulted by the Minister of Power about these proposals and has decided that it would be appropriate for the case for them to be examined by the National Board for Prices and Incomes with regard to the financial and other obligations of the three Gas Boards, and to the considerations set out in Part I of the White Paper on Prices and Incomes Policy (Cmd. 2639). The three Gas Boards have undertaken to defer the introduction of the higher tariffs while this examination is proceeding.

The National Board for Prices and Incomes are requested to put the necessary enquiries in hand and to report within eight weeks.
