## PRICES AND INCOMES ACT, 1966

Reference to the National Board for Prices and Incomes  
THE REMUNERATION OF MILK DISTRIBUTORS

IN July 1965, the Central Milk Distributive Committee for England and Wales in association with the Scottish Milk Consultative Committee and the Federation of Northern Ireland Dairymen applied to the Minister of Agriculture, Fisheries and Food and to the Secretary of State for Scotland for a substantial but undefined increase as from 1st October 1965 in the remuneration of all sections of the milk distributive industry. Up to 30th September 1966, the system of remuneration was based upon fixed guaranteed target rates of profit, which were subject to review. A decision on the application for an increase was deferred during the prices and incomes standstill. The Government now consider it desirable that, consistently with the guarantee arrangements for milk producers and Government control of distributive margins and retail milk prices, the National Board for Prices and Incomes should examine the methods and level of remuneration of distributors (other than producer-retailers) of liquid milk in the United Kingdom from the point of first sale by or through the agency

of a Milk Marketing Board to the point of sale to the consumer, having regard to the need to promote economy, efficiency and productivity in milk selling and distribution.

Accordingly, in pursuance of their powers under Section 2(1) of the Prices and Incomes Act, 1966, the First Secretary of State, the Secretary of State for Scotland and the Minister of Agriculture, Fisheries and Food hereby refer to the National Board for Prices and Incomes for examination

- (i) the question of the level of remuneration of milk distributors for the period 1st October 1965, to 30th September 1966, based upon the system then existing; and
- (ii) the question of the general methods of determining the remuneration of milk distributors, and, in the light of their examination of general methods, the level of remuneration from 1st October 1966, onwards.

13th January 1967.
