The amount which an authority borrows within its annual quota as determined by the said Commissioners will bear interest at the appropriate rate in the lower set of rates. Where authorities borrow further sums these will attract interest in the higher set of rates, unless the said Commissioners agree that they should be offset against the following year's quota. Different rates of interest apply according to whether the principal of a loan is repaid by instalments or at maturity.

The Order comes into operation on 1st April 1970, and has been published as Statutory Instruments 1970 No. 325.
