Under the same section, as extended by section 106(3) of the Agriculture Act 1970, the Minister may make orders imposing such prohibitions or requirements with respect to cattle in eradication areas as he may consider necessary or desirable for the purpose of eradicating brucellosis.

The present order, which came into operation on the 3rd March, declares a further area in England to be an eradication area, and prohibits the vaccination against brucellosis of cattle in that area, unless undertaken on behalf of the Minister, or under a licence issued by a veterinary inspector employed by him.
