Rates of rental and maximum connection charges for equipment and apparatus provided for use in mines and collieries in relation to telephone exchange lines

15. For Schedule 10 to the principal Scheme there shall be substituted the following:

" Paragraphs 18, 20 and 21

**SCHEDULE 10**

**RATES OF RENTAL AND MAXIMUM CONNECTION CHARGES FOR EQUIPMENT AND APPARATUS PROVIDED FOR USE IN MINES AND COLLIERIES IN RELATION TO TELEPHONE EXCHANGE LINES**

(exclusive of value added tax)

(The rates of rental specified in this Schedule are quarterly rates)

	Rate of rental £	Maximum Maximum connection £
1. Equipment and apparatus provided in association with PABX types 2 and 3 owned by the National Coal Board:		
24V power supply NCB changeover	1.80	NIL
24V power supply PO changeover	14.00	NIL
each safe ringing unit	0.45	NIL
each code ringing generator relay set	1.70	NIL
each auto-magneto link relay set (coupling unit)	1.25	NIL
each auto telephone link relay (coupling unit N8830A or N8795B)	0.65	NIL
Emergency relay set (per 20 circuits)	1.10	NIL
Emergency switchboard: 2+20 equipped	37.00	NIL
2+40 equipped	71.00	NIL
<b>PABX 2 only:</b>		
common equipment and miscellaneous cabling	3.30	NIL
each auxiliary relay set	1.50	NIL
<b>PABX 3 only:</b>		
common equipment and miscellaneous cabling	4.25	NIL
each auxiliary relay set	1.50	NIL
emergency reporting relay set	1.95	NIL
2. Emergency access from privately-owned and maintained NCB private exchange to public telephone system:
