- (3) Such packets may be delivered either in the normal course of delivery or, where they arrive too late for delivery in the normal course, by special messenger.

- (4) This service may be provided by the Post Office at such times, during such periods, between such places and at such post offices as it may from time to time consider expedient.

- (5) No such packet may exceed the limits of size, specified in Schedule 1 to the Scheme, for first class letters.

- (6) In addition to any postage or other fees charged and payable thereon, there shall be charged and paid on each Royal Mail Special Delivery packet a fee of £1.

- (7) Where a packet is tendered for transmission after the latest prescribed time of posting to achieve delivery at the place of address by the next working day, or delivery the same day where such a facility is provided, it may nevertheless be accepted but sub-paragraph (8) shall not apply to such packet.

- (8) In the event that a packet is not available for delivery at the place of address on the next working day after the date of posting, or the same day where such a facility is provided, the fee charged under sub-paragraph (6) may be refunded to the sender of the packet."

HIGHLAND REGIONAL COUNCIL

COAST PROTECTION WORKS AT ULLAPOOL POINT COAST PROTECTION ACT 1949

THE HIGHLAND REGIONAL COUNCIL, acting in their capacity as Coast Protection Authority, hereby give notice under Sub-Section (1) of Section 5 of the above Act, that they propose to carry out coast protection work as described herein at Ullapool Point.

The work will consist of a rip-rap revetment of approximately 145 m long and 11 to 14 m wide constructed on a 1:2 slope on the foreshore. The revetment will extend beyond mean high water springs, and excavation for the toe of the revetment below this level will be necessary. The revetment will encroach upon the grassed area behind the beach, but this is due to the necessary height of the protection works to minimise the possibility of flooding.

The estimated cost of the work is £62,000.

Any person may, not later than Thursday, 14th August 1980, serve written notice of objection to the above proposal on the Secretary of State and on the Coast Protection Authority. Any such notice must contain a statement of the grounds of objection and must be sent by pre-paid post to the Secretary, Scottish Development Department, New St. Andrew's House, Edinburgh, EH1 3SZ, and to the undersigned at the address shown below.
