SALE OF LANDS.

ELPHINSTONE, IN EAST LOTHIAN.

To be Sold, by Public Roup, within the Royal Exchange Coffeehouse in Edinburgh, upon Wednesday the 1st day of September next, at two o'clock after noon.

THE following parts of the Estate of ELPHINSTONE, lying in the parish of Tranent and county of Haddington. Lot 1st, Those parts thereof now called ELPHINSTONE TOWER FARM, possessed by Mr Arnot, being the western portion of the estate, bounded on the east by the road leading from Musselburgh by Harviesburn, Pantrygate, and the west end of Elphinstone village, to Ballyford; containing about 314 acres, Scots measure, under a 19 years lease, current from Martinmas 1808, at the rent of 1031l. 17s. sterling.

Lot 2d, Those parts of the farm of BUXLEY possessed by Mr Guild, lying on the east side of the road leading from Tranent to Ormiston, being the eastern extremity of the estate, and containing about 131 Scots acres, the lease of which expires at Martinmas first 1813.

These lands are very desirably situated at short distances from the towns of Dalkeith, Musselburgh, Tranent, and Ormiston. Each lot lies compactly together. The lands are all subdivided and inclosed, and the soil adapted for modern husbandry. They are in the vicinity of Cousland and Spineford lime works. There is a going coal on the adjoining part of Elphinstone estate; and valuable seams of coal are understood to lie under both lots, but which, and the right of working it, is to be reserved during the currency of an existing lease of the coal under the whole estate. The former mansion-house of the estate stands on Lot 1st, with a substantial court of farm-offices, great part of which is newly erected; and adjacent is the ancient Tower of Elphinstone, from which there is a delightful and one of the most extensive prospects in Scotland. On Lot 2d there is also a very substantial farm-steading.

Lot 1st is held blench of the Crown, and affords a freehold qualification, being separately valued in the cess-books at 657l. 14s. 5d.

Lot 2d is held of a subject superior for payment of 1s. 6d. of feu-duty, to which sum also the entry of singular successors will be taxed.

The public burdens attached to each lot are moderate, and the lands will be warranted from any farther augmentation of minister's stipend. The parish-church was built within these few years, and the manse, school-houses, &c. lately repaired.

Messrs Arnot and Guild, the tenants, will point out the boundaries of the lots respectively possessed by them; and for farther particulars apply to Alexander Dallas, W. S. Edinburgh, with whom are the articles of roup and plan of the estate, &c.
