OPENCAST COAL ACT 1958

NOTICE is hereby given that the National Coal Board intend to submit an application entitled the Sourlie Application 1982 to the Secretary of State for an authorisation under Section 1 of the Opencast Coal Act 1958 to work coal by opencast operations or to cause or permit coal to be worked by such operations. The land which the National Coal Board require to occupy in this connection is described below. A copy of the application and of the accompanying map may be seen between the hours of 9.00 a.m. and 4.30 p.m. on Mondays to Fridays inclusive, excluding 3rd May 1982, at the offices of the Irvine Development Corporation, Perceton House, Irvine, Ayrshire and also at their Information Centre, 121 High Street, Irvine.

Any objections to the application must be made in writing to the Secretary of State for Energy at Scottish Economic Planning Department, Industrial Development Division, Alhambra House, 45 Waterloo Street, Glasgow G2 6AT before 1st June 1982 and should state the grounds of objection.

DESCRIPTION OF LAND

The land, which has an area of about 129 acres (52 ha), is situated in Cunninghame District in Strathclyde Region, about half a mile north-east of Irvine. It lies north-east of a new road called Long Drive, north of a new roundabout on that road, north-west of Littlestone farm steading, west of a dismantled railway and south of Auchinwinsey farm steading.

W. D. Homewood,
Duly authorised by the
National Coal Board.

20th April 1982.
