**RATES OF INTEREST ON LOANS BY THE
PUBLIC WORKS LOAN COMMISSIONERS TO
LOCAL AUTHORITIES**

Notice

Treasury Minute dated 27th April 1983

THE Lords Commissioners of Her Majesty's Treasury read Section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with Section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 27th April 1983 and until the coming into operation of a further determination;

- I. The rate of interest applicable to any such fixed rate loan will be that in force on the banking day preceding the date the principal is credited to the account of the authority's banker;
- II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- III. The rates of such interest shall be:—

*Per Cent per Annum
Loans Repayable*

Over 15 but not over 25 years	12 ⁵ / ₈	12 ³ / ₈	12 ¹ / ₄
Over 25 years	12 ¹ / ₄	12 ¹ / ₈	12 ¹ / ₈

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Where authorities borrow further sums these will attract interest at the appropriate rate in the non-quota set of rates, unless the Public Works Loan Commissioners agree that they should be offset against the following year's quota.

My Lords concur.

The Treasury determine the rates of interest accordingly.

(ABINGTON) ORDER 1983

THE Secretary of State gives notice that he proposes to make the above Order which will temporarily prohibit:—

(a) any vehicle proceeding on the southbound carriageway of the London-Carlisle-Glasgow-Inverness (A74) Trunk Road from making a right-hand turn west on to the Leadhills (B797) road in Strathclyde Region.

(b) any vehicle proceeding southbound on the Leadhills (B797) road in Strathclyde Region from making a right-hand turn south on to the London-Carlisle-Glasgow-Inverness (A74) Trunk Road.

The prohibitions, which are necessary as the overlay and superelevation improvement to the northbound carriageway of the A74 will result in the crossover being too steep to allow the safe passage of vehicles, will take place from 9th May 1983 until 5th September 1983.

Alternative Routes for Traffic:

Traffic from B797 wishing to proceed south on A74 to be signed via right-turn lane on northbound carriageway (A74) at central reserve crossing at the south access to Abington, through Abington Village to exit at the north access to Abington on to the southbound carriageway of the A74 trunk road.

Southbound traffic on A74 trunk road from Abington and points north to be signed via the deceleration lane on the southbound carriageway (A74) at the north access to Crawford, through Crawford Village to exit at the south access to Crawford on to the northbound carriageway of the A74 trunk road.
