Glasgow, February 8, 1814.

ADJOURNED SALE OF BUXLEY.

UPSET PRICE REDUCED.

To be sold, by public roup, within the Royal Exchange Coffeehouse in Edinburgh, upon Wednesday the 23d day of February 1814, at two o'clock after noon, THOSE parts of the farm of BUXLEY, part of Elphinstone, in the parish of Tranent and county of Haddington, lying on the east side of the road leading from Tranent to Ormiston, being the eastern extremity of the estate, and containing about 131 Scots acres, which will be out of lease at Martinmas first 1814.

These lands lie compactly together, are subdivided and inclosed, and the soil adapted for modern husbandry. They are at short distances from Dalkeith, Musselburgh, Tranent, and Ormiston, and in the vicinity of Spinnelsford and Cousland limeworks. There is a going coal in the adjoining part of Elphinstone estate, and valuable seams of coal are understood to lie under the lands themselves, but which, and the right of working it, is to be reserved during the currency of an existing lease of the coal under the whole estate. There is a substantial farm steading on the premises.

The lands are held of the subject superior, for payment of 19s. 6d. of feu-duty, to which sum also the entry of singular successors will be taxed. The public burdens are moderate, and the lands will be warranted from any farther augmentation of minister's stipend. The parish church was built within these few years, and the manse, schoolhouse, &c., lately repaired.

Mr Reddie, the tenant, will point out the boundaries, and for further particulars apply to John Innes and Alexander Dallas, W. S., Edinburgh, with whom are the articles of roup, and plan of the estate, &c. January 20, 1814.
